SKILLS TODAY. SUCCESS TOMORROW.

Join Girl Scouts TODAY!

There's a lot more to Girl Scouts than crafts and cookies. In Girl Scouts your girl will have fun learning new skills. We are the community service champions, outdoor explorers, and fun-loving challenge seekers. Along the way our girls are learning new skills, taking on challenges, making friends, and building confidence through new experiences.
How can Girl Scouts be a part of your family's activities? Stop in at one of our three upcoming opportunities. If you aren't able to attend, no worries, call 888-747-6945 or email info@gsnwgl.org and we will help you find the perfect troop for your girl.
