Do you have children ages 3 or 4?

The Eau Claire Area School District (ECASD) Early Learning Program will begin accepting online applications for incoming 3 and 4 year old students for the 2017-18 school year on February 1st, 2017. The ECASD Early Learning Program includes our Eau Claire 4 Tomorrow (EC4T/4K) and Head Start program, as well as Western Dairyland Head Start. For additional information, visit our website at: www.ecasd.us, Click Schools, Click on ECASD Early Learning Program

If your child turns 3 on or before September 1, 2017

- Applications for Head Start will be accepted. Please note there are limited spots available and income guidelines may apply. Please follow the directions enclosed and apply online.

If you are applying for Head Start….

Once your application is received, staff will contact you to complete the enrollment process and verify your income.

If your child turns 4 on or before September 1, 2017

- Applications for EC4T/4K and/or Head Start will be accepted. Please follow the directions enclosed and enroll your child online.

If you are applying for EC4T/4K or Head Start…

Once your application has been processed to the ECASD Early Learning Office, you will be contacted via letter or phone call confirming receipt of the application.
