## CHRISTMAS CONCERTS POSTPONED, BUT FUN TIMES ARE AHEAD!

# Come and learn about CVBC: A fun place to sing and grow in music!

### What is Chippewa Valley Boys Choir?

Chippewa Valley Boys Choir, CVBC, has come alive again! Offering boys who share a love of singing the opportunity to learn and sing together, we are open to boys Grade 2-12. All skill levels are welcome.

Our Director, Martin Pederson, is an elementary music teacher by day and is also a member of the Eau Claire Male Chorus. His love of music and energetic teaching style encourages the boys, engaging them with both songs and bits of music theory sprinkled throughout.

**DID YOU KNOW...** Joining CVBC can also complement music lessons? Exposing your child to music through singing can help them grow in many ways.

**\*2020 Update:** while there are no scheduled performances at this time, we are still exploring other ways that we can reach out to our community and share our love of music!

**YOU ARE INVITED to try out CVBC to see if it's a good fit for you!** We meet Monday evenings at Lake Street United Methodist Church, Eau Claire, at 5:30pm. Don't worry, we'll be there and can show you which room we are in! There is no fee to attend your first practice, either. We want you to be sure that CVBC is your thing (though we think you'll LOVE it!).
