Parent/Guardian Transfer Request to an Alternate School

Student Name: _____ Current Grade: _____

Parent(s)/Guardian(s) Name: _____

Address: _____ Phone: _____

Resident School: _____

I request my child be allowed to attend _____ school for the _____ school year due to the following reason:

- Legal
- Medical
- Continuous Enrollment
- Fresh Start

Documentation to support this request is attached

If the request is granted, it is the parent/guardian's responsibility to provide transportation to and from school including prompt arrival and pick up. It is also the parent/guardian's responsibility to reapply each year since alternate attendance is contingent on total enrollment and is granted on an annual basis only.

WIAA Rule: A student who transfers from any school to a member school after their fourth consecutive semester following entry into Grade 9 shall be ineligible for practice and competition in athletics for one calendar year, unless the transfer is made necessary by a total change in residence by parent(s) or a waiver has been provided. The calendar year suspension will be determined from the last date among the following: a student's last day of attendance at school, last day of attendance at athletic practice, or last day of competition.

Practical interpretation: All student athletes classified as 11th or 12th grade students (as determined by entry into grade 9) enrolled in a high school other than the one they attended as a 10th grade student are **ineligible for sports participation for a calendar year unless the transfer is made necessary by a total change in residence by parent(s) or a waiver has been provided.**

I hereby acknowledge that I accept the above provisions and parental responsibilities.
