

## Open Enrollment

# Come join us!

### Did you know?

Your children can still attend Eau Claire Area School District (ECASD) even if your family lives in Altoona, Augusta, Cadott, Chippewa Falls, Eleva, Fall Creek or elsewhere.

### What is Open Enrollment?

The inter-district public school open enrollment program allows parents to apply for their children to attend public school in a school district other than the one in which they reside.

### Who can apply?

Any Wisconsin resident in 4K to grade 12 may apply to attend a nonresident school district under the open enrollment program.

### When can parents apply?

The regular open enrollment application period begins in February and ends in April. Additional information on the regular open enrollment application season and the best way to apply is online at [www.dpi.wi.gov/open-enrollment](http://www.dpi.wi.gov/open-enrollment).

### Moving Mid-Year?

To fill out an open enrollment application any time of the year, please reach out to the ECASD Open Enrollment Coordinator at 715-852-3003 or email [districtadministration@ecasd.us](mailto:districtadministration@ecasd.us).

### Why ECASD?

Eau Claire Area School District is western Wisconsin's leader and partner in learning. The ECASD provides a unique and safe learning environment focused on building relationships and creating individualized academic opportunities for Pre-K through 12<sup>th</sup> grade students in the Chippewa Valley. We are the home of 12 elementary schools, 3 middle schools, two high schools, Chippewa Valley Montessori Charter School (elementary), McKinley Charter School (secondary) and the Eau Claire Virtual School.

ECASD's focus is on Academic Achievement!

1. We have a culturally relevant, rigorous and engaging curriculum and a strong assessment system PreK-12.
2. The ECASD has a clearly defined system for goal setting and shared accountability for student achievement and for the development of the whole child.
3. We prepare every student to be college or career ready - able to think critically, solve problems, communicate effectively, and work collaboratively with others.

### Questions? We're here to help!
