### JOIN THE ADVENTURE TODAY!

Elementary age boys and girls in grades K-5 are invited to sign-up for Cub Scouts this fall.

Cub Scouts is for Everyone! Our programs are open to both boys and girls, from Kindergarten through fifth grade. All new Scouts will get their Cub Scout Handbook for free.

Go to [wearescouts.org](http://wearescouts.org) to register online, or call 715-832-6671 for more information.

Each of our Packs is a little different, we can help your family find the right fit. Many Cub Scout meetings and outings are being offered this fall either outdoors or virtually. Our program is flexible based on what your family is comfortable with, and many activities can even be completed at home as a family.

Join the adventure and make new friends today!
