

# Repair & Replacement Fee List for Devices

## About:

ECASD Technology Services department maintains a list of charges to repair or replace typical damage or lost items related to iPads, laptops, accessories, and hotspots. This list is updated annually (during Summer Break) for the current school year. Our goal is to provide the most cost-effective repair or replacement possible, so our students and staff always have access to reliable, quality devices for learning and teaching. Repair methods and costs are reviewed and evaluated by technology staff as part of our ongoing commitment to the responsible stewardship of District resources.

Below is a list of common items that are assigned to ECASD students and staff\*. Repairs may be handled in-house by District Technology staff, or outsourced, depending on the type and complexity of the repair, and other factors including cost and turnaround time.
