Tuesday – Friday , 7am-3:30pm

Your place to get primary care service.

Our primary care team has you covered. Our providers emphasize preventive care and treat acute and chronic medical conditions for the entire family.

Services available at the Oakwood Direct Access Care Center include preventive care like annual exams, cholesterol and blood pressure screenings, skin cancer screenings, flu shots, immunizations and health coaching. We also provide high blood pressure and high cholesterol management, care for type 2 diabetes, and asthma care.

Our providers treat conditions like upper respiratory infections, cough and sore throat, seasonal allergies, viral infections, skin rashes, and back pain evaluation. In addition, we have X-ray, laboratory services and EKG available onsite.

Dr. Andrea Martinelli

Dr. Martinelli is a board-certified family medical physician. She attended St. George's University School of Medicine and completed her residency at the University of Tennessee College of Medicine.

Emily Rude, D.N.P., F.N.P

Emily Rude worked as a nurse for several years and, after enjoying that experience so much, knew she wanted to take the next step in her career. She earned her bachelor's degree in nursing and her Doctor of Nursing Practice degree from the University of Wisconsin-Eau Claire. She also holds a bachelor's degree in psychology from Eau Claire.

Dr. Philip Jacoby

Dr. Jacoby is a board-certified family medicine physician. He attended University of Wisconsin School of Medicine & Public Health and completed his residency at University of Wisconsin-Eau Claire Family Medicine.
