Dear Families:

The Eau Claire Area School District offers Weekend Kid's Meals to all students during the summer, and elementary and Prairie Ridge students during the school year. The purpose of the program is to provide food for your child for the weekend when school meals are not available, and the program is offered through Feed My People Food Bank. The food is at **no cost** to you or your child and there are no income guidelines or requirements. Any student is welcome to participate and is free to withdraw from the program at any time.

Please be aware that peanut products are often distributed so children with food allergies should not be enrolled.

If you have any questions or concerns, please feel free to contact your child's school Partnership Coordinator.

  No, there are no income limits or qualifications to participate in the program. All students are welcome to receive meals.
- **Does each child receive their own bag or do we only get one bag per family?**
  Each child in your family that registers will receive their own bag of food.

  Each school will provide information on how the bags will be handed out to students. Students will bring bags home at the end of the week.

  Contact your child's school Partnership Coordinator if you have questions or if you no longer wish to participate in the program.
- **Can my younger children who aren't in school yet receive bags of food?**
  No, only students enrolled in the Eau Claire Area School District can receive the Weekend Kids' Meals at this time.
- **Are some of the foods in the bags "expired"?**
  The food items in the bags are not expired, but they may be past their sale-by or best-by date. The food given is not expired and is still safe to eat. Concerned families can check out the USDA's website or www.stilltasty.com if they have questions or would like more information about food dating.
