

Good morning Flynn Flyers! Today is Thursday, April 30<sup>h</sup>, it's the FINAL day in April, and here are your morning announcements!

It is looking like a banner day today weather wise! High of 65 and sun! Get out there and enjoy some much-needed Vitamin D after the past three days of clouds, rain and lots of WIND!

Keep on sending any pictures, short videos or stories of success that you have with me and your teachers! I love to hear about your triumphs and when you can persevere on hard at home learning! You should all be very proud of how hard you are working during this closure!

### **EXCITING NEWS- FLYNN HAS A HOMEWORK HOTLINE!!**

Mrs. Hebert and Mrs. Wendland were busy yesterday helping students and family with at home learning! Everything from supporting your technology questions to helping with math and reading, they are here to help you stay sharp and work through at home learning tasks!

#### **The hours that they are available for at home learning support are:**

Mrs. Hebert (Math)	Mrs. Wendtland (ELA: Reading, Writing, Word Work)
<b>Tuesday and Thursdays</b> 10:00-1:00 To call, dial 715.852.3333 (if she does not answer please leave a message) Or via email hhebert@ecasd.us	<b>Tuesday and Thursdays</b> 10:00-1:00 To call, dial 715.852.3330 (if she does not answer please leave a message) Or via email hwendtland@ecasd.us

Families are welcome to email academic homework questions anytime and they will send an email response as soon as possible.

For this weeks' trivia, we dig into the at home learning page on the ECASD website for the answer to: ***Why are the oceans filled with salt water?***

#### [Mystery Science- Salty Oceans](#)

To find this video, please look on the ECASD at home learning webpage, click on "elementary resources" then click on "second grade resources." If you have difficulty using the link above, these morning announcements are also available on my principal page on the Flynn At Home Learning page!

#### **Material Return!**

I know a lot of Flynn students and families are wondering about when they can come and either pick up or drop off student school items.

We are currently in the process of collecting student materials (school supplies, schoolwork, clothing, art, etc) and building a plan for you to pick these items up. This will happen near the end of May and we will have people at school ready to get to you your school and personal items. What we do not have a plan for yet, and the district is currently working on it, is a plan to get back the school items that went home with you on March 17<sup>th</sup>. The library books, the iPads, Keyboards, Textbooks and more will need to be returned at some point so we can get them ready for next school year. Please stay tuned for an update from me on this!

Finally, look for my weekly "Friday Blast" video Tomorrow afternoon! I will have important updates and answers to frequently asked questions!

Have a wonderful day Flynn Flyers!
