

GOOD MORNING FLYNN FLYERS! TODAY IS MONDAY MAY THE 11TH AND HERE ARE YOUR ANNOUNCEMENTS!

We will start with the Flynn Flyer Promise:

I promise to learn and play peacefully

To be responsible and to do my part

To treat others with kindness and respect and to use self-control

I am proud to be a Flynn Flyer; we are school that CARES

I hope you had a wonderful weekend Flynn family and a special thank you to all the mothers out there!

Almost record lows this weekend! I hope you were able to protect your plants and that they are now ready to get back out and enjoy some spring sunshine. The temps this time of year (if you can believe it) are supposed to be almost 70! Let's hope we can get back to those average temperatures by the end of the week this week! I did see that we should get close to our normal average high temperatures by Thursday!

Thank you to everyone that is “playing along” with our Flynn Scavenger hunt! It sounds like the city of Eau Claire has built a fun hunt also that includes clues and hints to find various city locations!

Your new picture will be coming soon so be on the lookout for our next Flynn selfie!

We had a great turnout for trivia last week with our question about the deepest lake in Wisconsin. Although there were a few popular answers, the correct answer was “Lake Wazee” in Jackson County. The old mine was converted into a recreational and diver training like in the mid 80's after the mine was closed! There is a wonderful beach area at Lake Wazee and the water is typically clear up to 40 feet! At its deepest, the lake reaches down over 350 feet!

Your trivia for this week is unique! For all of you doll fans out there: What famous doll claims to be from “Willows, WI?”

Those are your announcements for today, have a wonderful day Flynn Flyers!
