

IT IS FRIDAY!!!

TODAY IS THE 15TH OF MAY AND HERE ARE YOUR ANNOUNCEMENTS!

After today, there will only be 3 weeks left of school! Let's continue to work as hard as we can during the final stretch of the year! Find that extra activity to do to learn more about something new! Some of the activities that my two boys and I have completed during at home learning have been:

How does hand sanitizer kill germs?

How old is the Earth?

How much water is on Earth?

And more!

On the ECASD (not Flynn) at home learning website, each grade level has specific activities that you can do! They are a great way to extend and enhance your learning and your knowledge about the world around you!

If you want to catch a quick 2-minute video that reviews our procedure for Student Material Pick Up, use the link below! We look forward to seeing you all (for however short) when you stop by to pick up your items!

Onto the weather: FINALLY! We had rain in the morning but by late afternoon it was perfect outside. I hope that today brings a similar day! The weekend looks to be a little bit hit and miss but next week looks warm and promising!

You have another couple of hours to participate in our Flynn scavenger hunt! I have had a lot of great answers and to our guest scavenger below! Be ready for a new picture of a new Flynn person soon!

Your trivia for this week is unique! For all of you doll fans out there: What famous doll claims to be from "Willows, WI?" Your first hint: *She* has a close friend named Ken!

We have a new scavenger hunt picture! Thank you to Mr. Nicholson for taking a picture in front of Memorial HS home of the Old Abes!

Here is your new picture for the day! Thanks again for playing along!

Don't forget, today is Friday so look for my weekly Friday Blast this afternoon!

That is all for your announcements today, have a great day Flynn Flyers!
