

Good Morning Flynn Flyers! Today is Wednesday May 27th and here are your announcements!

It was a warm one yesterday with temperatures reaching into the lower 80's and a few thunderstorms in the area! In Durand, a funnel cloud was spotted! I am thankful that we only had a little bit of rain!

Today, the weather will be humid with lots of water in the air. Temperatures will hit the upper 70's and there is a chance for some storms in the afternoon! Be sure to keep your eyes out when you are in the neighborhood or outside playing!

New Updates regarding the return of Library books and technology!

As you may have read last week, the dates for the student material pick up have been confirmed. Here are the details:

Dates: June 8th (students with the last name A-M) and June 9th (students with the last name N-Z).

Time: 11-6

Plan/Schedule: We will use the same plan and structure as we did for our student material pick up! This way, all families know where to go, where to stop and it should make the return of these important items easy! Here are a few very important reminders!

***If you have an iPad that you are returning, please make sure that you have it fully charged before you arrive. That way we can check it over quickly. Also, please bring with you any of the accessories that belong with the device (charging cable, cube, keyboard, etc).**

When you return the library books, please do your best to place them into a bag. This has been recommended to us for safe handling by the EC County Health Department.
