

Good Morning Flynn Flyers! Today is Monday June 1st. It is the FINAL week of what has been an incredible and very memorable school year, and here are your announcements!

I hope that you were able to find peace and enjoy a weekend that gave us some wonderful weather. Although the temperatures through the weekend never got above 74 the Sun was bright, winds were calm and days were perfect for some outside fun or relaxation! I hope you had a wonderful weekend leading up to this final week of school.

Let's do the Flynn Flyer Promise one more time before we wrap up the year:

I promise to learn and play peacefully

To be responsible and do my part

To treat others with kindness and respect

And to use self-control

I am proud to be a Flynn Flyer, we are a school that CARES!

Looking ahead to the final week of school, I hope you will take time to reflect and enjoy the year and the time you had both at Flynn and while learning and at home. I hope you were able to take advantage of as many opportunities to learn and grow during the year and will make this final week a great week of learning and reflection!

How about that launch!?

If you were not too busy Saturday afternoon and you were able to watch the lift off two NASA astronauts, you were able to witness some history! It was great to see that the rocket worked perfectly and landed/returned to Earth safely! I think the return of the rocket onto the platform in the middle of the ocean is almost as cool as the launch itself! Now the astronauts are docking with the International Space Station where they will spend about 4 months aboard! It was an exciting day for sure!

End of the Year Parade/Celebration

On June 5th, we will celebrate the final day of the school year by hosting a small Flynn parade. Starting at 2:45 Flynn staff will be standing outside the school and along the sidewalk. If you would like to drive by and give us a wave, we would love to see you all and send you off to summer with a warm smile and positive end of our year! Attached to the morning announcements is the map for our parade. As you can see it remind families to follow all city health and safety guidelines and to obey all traffic laws. We ask that you start driving towards Flynn from the North and head south down Lee Street towards Flynn. The map should provide an easy to follow traffic plan as well as where Flynn staff will be.

Let's work together to make this a safe and fun goodbye for the year!

If you have any questions, please do not hesitate to contact me!

Important Information regarding the return of Library books and technology!

As you may have read last week, the dates for the student material pick up have been confirmed. Here are the details:

Dates: June 8th (students with the last name A-M) and June 9th (students with the last name N-Z).

Time: 11-6

Plan/Schedule: We will use the same plan and structure as we did for our student material pick up! This way, all families know where to go, where to stop and it should make the return of these important items easy! Here are a few very important reminders!

***If you have an iPad that you are returning, please make sure that you have it fully charged before you arrive. That way we can check it over quickly. Also, please bring with you any of the accessories that belong with the device (charging cable, cube, keyboard, etc).**

When you return the library books, please do your best to place them into a plastic grocery store type bag. This has been recommended to us for safe handling by the EC County Health Department.

Summer Programming

As our community continues to grapple with COVID 19, we continue to collaborate with the city and Eau Claire County to develop safe plans for a return to school in the fall as well as opportunities to participate in summer programming with the city. The Eau Claire Area School District will continue to provide summer programming, but it will be at home. If you are interested in signing up for at home summer school, please look for an email invitation and weekly reminders from me to sign up!

Our students that are moving up to middle school next fall, **registration for summer programming ends on May 31st!**
This includes summer band and Orchestra!

*Want to know more about the Eau Claire bike, walk, run, blade trails!? Check on this link!
