

Good Morning Flynn Flyers! Today is Thursday June 4th. There are only 2 more days left of school! Here are your quick announcements

It was a beautiful spring/summer day yesterday! I hope that this week has treating you well and has given you time to get out and enjoy springtime in Wisconsin! As we move closer to summer, I hope that you are excited to get out and enjoy our parks, playgrounds and other fun, safe spaces!

Summer Programming Registration is now OPEN!

If you are interested in having your student join either Flynn or South for any summer programming this year, now is the time to register! I know that middle schools have already started to make their class lists and are planning for their groups, but it may not be too late if you call and ask! At the elementary level, summer school registration will be open until July 3rd! As a reminder, our programming will be online this summer so if you are interested in joining us and will need a device please let us know when you register! We will be happy to accommodate your needs!

End of the Year Parade/Celebration

On June 5th, we will celebrate the final day of the school year by hosting a small Flynn parade. Starting at 2:45 Flynn staff will be standing outside the school and along our front sidewalk. If you would like to drive by and give us a wave, we would love to see you all and send you off to summer with a warm smile and positive end to our year!

Let's work together to make this a safe and fun goodbye for the year!

If you have any questions, please do not hesitate to contact me!

Important Information regarding the return of Library books and technology!

As you may have read last week, the dates for the student material pick up have been confirmed. Here are the details:

Dates: June 8th (students with the last name A-M) and June 9th (students with the last name N-Z).

Time: 11-6

Plan/Schedule: We will use the same plan and structure as we did for our student material pick up! This way, all families know where to go, where to stop and it should make the return of these important items easy! Here are a few very important reminders!

***If you are returning a device, please make sure that you have it fully charged before you arrive.** That way we can check it over quickly. Also, please bring with you any of the accessories that belong with the device (charging cable, cube, keyboard, etc).

When you return the library books, please do your best to place them into a plastic grocery store type bag. This has been recommended to us for safe handling by the EC County Health Department.

***Important: Please bring your device to material return day!**

Those are your announcements for this Thursday, have a great day Flynn Flyers!
