

Flynn At Home Learning

Week Of: 6/1 through 6/5

Mrs. S. dschreenthaler@ecasd.us Mrs. Hutchins chutchins@ecasd.us Mrs. Kappus tkappus@ecasd.us

Day of the Week	ELA/Writing/Reading/Word Work	Math	MAPE- Art, Physical Education, Music
Monday	Scavenger Hunt ideas These are fun ideas you could use all summer with great ways to keep your child learning and writing.	Continue to count out loud for someone in your family. Can you make it to 100? Can you go even further? Can you count by 10's and 1's?	Perform a concert by singing or playing instruments to songs you know to an audience of family members, dolls, stuffed animals or other toys.
Tuesday	Summertime Coaching Strategies to keep reading going.	Continue to count groups of objects. Make groups up to 20-how many in each?	
Wednesday	Read 10 minutes a day. Students can read independently, aloud to an adult, or back and forth with a sibling.	Continue to practice teen numbers. Teen Numbers Workout	Phy. Ed. Carnival Games: Create and participate in a carnival game. Use a ball skill including the toss, throw, roll, kick. Think of using items around your house milk jugs, water bottles, stuffed animals etc. For ideas check out the videos listed below: Click HERE or HERE Bonus Activity: Yoga Freeze Dance: Click HERE
Thursday	Continue to Practice Letter Formation	Continue to use your dry erase board to write numbers to 20 (or more). I can write my numbers Number Poem	
Friday	Write these sight words (popcorn words) on your dry erase board. Word Wall Grid to you she then what	Continue to practice addition and subtraction. Use dice, a deck of cards, dominos	ART: SPACE <i>Space is the distance in and around objects.</i> Choose a project from the options from here Elements of Art: SPACE or in the art section of

			<p>the MAPE tab of the Flynn At-Home Learning page—all the links should work from there!</p> <p><i>Upload a photo of your completed artwork to Artsonia using school code: ZBMZ-TMYX under project name:</i></p> <p>6/1 Elements of Art: SPACE</p> <p>Make something amazing! Ms. Kurtz</p>

Thank you!

Ms. Kurtz - Art (rkurtz@ecasd.us)

Mrs. Ahrens - Music (eahrens@ecasd.us)

Mrs. Rubeck - PE (crubeck@ecasd.us)

At-Home Art for Flynn Flyers

Choose from the options below (one or both) to explore the Element of Art: SPACE.

SPACE is the areas or distances between or in a work of art.

Space can be positive (focal point) or negative (background), 2D, or 3D.

Week of June 1, 2020

Upload a photo of your completed art to Artsonia under 6/1 Elements of Art: SPACE using school code: ZBMZ-TMYX!

I'd love to see what you have made!

ART CHOICE #1: MONSTERS!! Big vs. Small

One way to use space is to make things big and small. (Big can seem close and small can seem far away too!)

1. Draw two monsters on the same piece of paper. One monster should be big and one should be very small. **Remember:** a monster can look like anything. Use your imagination!
2. OR look at the Monster Body Parts page [here](#) to get more ideas.

CHALLENGE: draw and color a background for your monsters to live together.

ART CHOICE #2: NOTAN

You'll need two different colors of paper—any kind, junk mail, wrapping paper, magazines. One piece can be bigger than the other.

1. Draw half of an object on the edge of the smaller piece of paper.
2. Cut along the line—CUT CAREFULLY. You'll need all the pieces, even if you mess up!
3. On the big paper, glue the cut out piece along the edge of the original piece (symmetry line) to create a whole object!
4. Start simple, but try more complicated designs once you've got it.

Inspiration Artist Tang Yau Hoong

Tang Yau Hoong is a Malaysian illustrator who likes to fool the eye! Look closely!

See more of Tang's art.
