

**Good Morning Flynn Flyers! Today is Wednesday June 3rd. It is the FINAL week of what has been an incredible and very memorable school year, and here are your announcements!**

WOWZA! It was indeed a hot one yesterday! I think I saw 94 degrees at one point in time. Then we were hit by those winds and that rain! I hope everyone was able to get inside and be safe! Then the best part. The Rainbow! I wonder if there is a little bit of symbolism behind that rainbow and after the storm. Let's all hope for better days ahead!

As we slowly make our way through the end of the year together, I hope you can take some time to reflect and enjoy the year and the time you had both at Flynn and while learning at home. I hope you were able to take advantage of as many opportunities to learn and grow during the year and will make this final week a great week of reflection!

**Summer Programming Registration is now OPEN!**

If you are interested in having your student join either Flynn or South for any summer programming this year, now is the time to register! I know that middle schools have already started to make their class lists and are planning for their groups, but it may not be too late if you call and ask! At the elementary level, summer school registration will be open until July 3<sup>rd</sup>! As a reminder, our programming will be online this summer so if you are interested in joining us and will need a device please let us know when you register! We will be happy to accommodate your needs!

**End of the Year Parade/Celebration**

On June 5<sup>th</sup>, we will celebrate the final day of the school year by hosting a small Flynn parade. Starting at 2:45 Flynn staff will be standing outside the school and along our front sidewalk. If you would like to drive by and give us a wave, we would love to see you all and send you off to summer with a warm smile and positive end to our year! I have attached the letter that provides details and information about the route, how to participate safely in our parade and more.

Let's work together to make this a safe and fun goodbye for the year!

If you have any questions, please do not hesitate to contact me!

**Important Information regarding the return of Library books and technology!**

As you may have read last week, the dates for the student material pick up have been confirmed. Here are the details:

**Dates: June 8<sup>th</sup> (students with the last name A-M) and June 9<sup>th</sup> (students with the last name N-Z).**

**Time: 11-6**

**Plan/Schedule: We will use the same plan and structure as we did for our student material pick up! This way, all families know where to go, where to stop and it should make the return of these important items easy! Here are a few very important reminders!**

**\*If you are returning a device, please make sure that you have it fully charged before you arrive.** That way we can check it over quickly. Also, please bring with you any of the accessories that belong with the device (charging cable, cube, keyboard, etc).

**When you return the library books, please do your best to place them into a plastic grocery store type bag. This has been recommended to us for safe handling by the EC County Health Department.**

**\*Important: Please bring your device to material return day!**

**Those are your announcements for this Wednesday, have a great day Flynn Flyers!**
