

Tuesday, April 28th

Good Morning, Manz Third Grade Families,

We hope your family is doing well. It is so nice to finally have some spring weather. Just a reminder that the new At Home Learning checklist for this week will be posted on the Manz website this morning. Please make sure to take the time to go over the new checklist with your child. This week we are asking your child to complete the Summative Language Arts Test in Waggle. Just like the math test from last week, this test will allow us to see any gaps in your child's learning. It is a long test, so feel free to break it up into sections. We are also focusing on fraction instruction in math, along with continuing to build fluency with multiplication and division facts. We have added some vocabulary activities to use if your child has already mastered the third-grade Red words. Please continue to reach out to us if something needs clarification or your child needs support to complete an assignment.

Thank you for all you are doing to support your child in our new way of learning.

Mrs. Kelly  
Ms. Pisani
