

Tuesday, April 21st

Good Morning, Manz Third Grade Families,

We hope your family is doing well. With the governor's announcement that school buildings need to remain closed for the rest of the school year, we know you will need more support to keep your child actively engaged in learning. Today we will begin using the Weekly At-Home Learning Lesson Checklist to share learning tasks for each subject. The checklist will list assignments to be completed for the week, running from Tuesdays to the following Mondays. ECASD recommends that third graders are actively engaged in learning for 60 minutes per school day.

The suggested learning times are as follows:

Reading, writing, word work: 30 minutes

Math: 20 minutes

Music, Art, Phy. Ed: 10 minutes

Each week, on Tuesday morning, a new checklist will be added to the 3rd Grade Activities section on the Manz Website.

Here is a link to that page.

<http://www.ecasd.us/Manz-Elementary/Academics/At-Home-Learning/3rd-Grade-Activities>

You will find the weekly checklist under the heading **3rd Grade Weekly AHL Update**.

We have broken the subjects down into daily tasks. These tasks are required to be completed during the week. We have also included a section of Bonus activities that your family can choose to use if you want to go beyond the 60 minutes of daily learning.

Please feel free to share your questions and concerns with us as we navigate this new learning plan. Even though school buildings are closed for the rest of the year, we are committed to providing your child with educational opportunities and will support your family as you work through this. Remember, we are in this together!

Ms. Suralski, Ms. Pisani, Mrs. Kelly
