

## **Dance Dress Code Clarification:**

**Event staff will be strictly enforcing the appropriate attire dress code at Memorial dances.**

### **Appropriate attire includes:**

- **Formal wear that would be acceptable at a formal public venue – such as Weddings, out to dinner, Church, etc....**
- **It also includes...any other attire/costumes/ theme based apparel that follows the ECASD dress code guidelines spelled out in your planner. Including, but not limited to, not having exposed shoulders, undergarments showing, or exposed cleavage.**
- **Administration reserves the right to refuse entrance to anyone they feel does not meet either of these guidelines.**

**Any further questions please refer to your school planner or contact MHS administration.**
