## ABSENCES

### ATTENDANCE

Attendance and academic performance are closely related. To benefit fully from the instructional program, all students are expected to attend school regularly and to be on time for all classes, study halls, and homerooms. The high school attendance policies are designed to develop students' punctuality, self-discipline, and responsibility.

### ATTENDANCE PROCEDURES

Parents/Guardians are asked to contact the attendance office between 7:00 a.m. and 3:30 p.m. on the day their student will be absent or has been absent for a **portion** or for the **full** day or provide the school with a written verification of absence. Students are required to check out and check in to the attendance office when leaving or arriving back to school. After 48 hours from the date of the absence, should no call be received, or written excuse provided, the absence will be considered unexcused.

### EXCUSED ABSENCES

All excused absences require parent/guardian/legal custodian written/verbal verification which is to be submitted to the school attendance officer in advance of the absence or prior to re-admittance to school. However, the administration reserves the right to make all final attendance decisions. The following are excusable reasons for absence as noted in District policy:

1. Evidence that the student is not in proper physical or mental condition to attend school or an educational program. The District may request the parent or guardian to obtain a written statement from a physician or licensed practitioner as proof of the physical or mental condition of the student. Such an excuse shall be made in writing, shall state the period of time for which it is valid, and shall not exceed 30 days. *This will be required to excuse any absence that remains unexcused for over 14 days.*
2. An illness in the immediate family which requires the absence of the student because of family responsibilities.
3. Medical, dental, chiropractic, optometry or other valid professional appointments. Parents or guardians are requested to make their appointments during non-school hours.
4. A death in the immediate family or funerals for close relatives.
5. Religious holidays.

6. Family trips that can be taken only during the normal school term. The intent of this statement is to provide the opportunity for students to accompany their parent(s)/guardian on a vacation which cannot be scheduled when school is not in session. For the purpose of reviewing the student's attendance record and overall performance record, the parent/guardian shall be required to notify the school attendance officer prior to leaving on vacation. Student vacations or trips without parent/guardian accompaniment are not excused absences.
7. A court appearance or other legal procedure which requires the attendance of the student.
8. Quarantine as imposed by a public health officer.
9. Attendance at special events of educational value as approved by the school attendance officer.
10. Approved school activities during class time.
11. Special circumstances that show good cause and which are approved in advance by the school attendance officer.
12. Parent/guardian provides a prior written request for absence from school not to exceed 10 days during the school year. Course work missed during this absence must be completed.

**If excused absences exceed 10 days in a school year, the school may notify parents/guardians that any further absences will require a doctor's excuse. This includes missing full or partial days. This authority is granted to school administrators under Statute 118.15.**

### EXTRA-CURRICULARS AND ABSENCES

Students who are absent a full school day due to illness or extended medical reasons may not be allowed to participate in extra-curricular activities on the day of the absence without administrative approval.

### UNEXCUSED ABSENCES

Students who have an unexcused absence may lose credit for the class period(s) missed. Students skipping classes may be assigned after-school or noon lunch detentions for each class period missed. All unexcused absences must be cleared within 48 hours. Any exceptions to this rule will require administrative approval.

### TARDINESS

A tardy is defined as arriving to class 5 minutes late or less. More than 5 minutes late is considered an unexcused absence. Repeated tardiness may result in teacher contact with the parent/guardian and office referrals.

### MAKE-UP POLICY

It is the student's responsibility upon returning to school from any absence to check with the teachers involved for assignments and other work missed. The assigning of

make-up work should not be construed as a punishment for being absent, but rather a vehicle to assist students in covering the material that was missed. Teachers will provide missing work and allow two days for each day of an excused absence to complete any work missed. Other mutually agreeable arrangements may be made between the teacher and the student. When a student has been informed in advance of an impending assignment or test and then has been absent from school, the student will be expected to be prepared to turn in the assignment or take the test on the day he/she returns to school. Credit for work completed may be reduced or not counted due to an unexcused absence.

## ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event or activity sponsored by the school must be reported immediately to the person in charge. Appropriate first aid treatment will be given, and the high school office will be notified when the staff member files an electronic accident report.

## ADDRESS CHANGES

**Memorial High School Office, or the District Enrollment Office, to report the change and show proof of their new address.** If the new residence is in the ECASD but outside of the Memorial High School attendance area, parents may request consideration for the student to remain at MHS by filing an "Alternate School Request" form, available online.

## ADULT CONTRACTS

Students over the age of 18 are allowed to take legal responsibility for their attendance by completing an Adult Contract. Students must meet with an associate principal to discuss the contract and complete the necessary paperwork.

## ANIMALS IN SCHOOL

[ECASD policy 382 states](#): The presence of animals in schools provides many opportunities for addressing academic standards and supporting the social/emotional growth of students. Animals are part of our natural environment and can be used effectively as teaching aids. The ECASD will only allow live animals to be brought into district buildings for educational purposes, and only under conditions which ensure the health and safety of children, staff, and the well-being of the animal. Persons bringing live animals into district buildings must receive prior written permission from the building supervisor. Service animals are permitted in district buildings the school as permitted by the Americans with Disabilities Act.

## BULLYING

The Eau Claire Area School District shall promote a safe, secure, and respectful learning environment for all students in school buildings and on school grounds, on school buses, and at school-sponsored activities. The District shall address and educate students about the dangers of bullying so that there is no disruption to the learning environment and learning process. Bullying is deliberate or intentional behavior using words or actions, intended to cause fear, intimidation, or harm. Bullying has harmful social, physical, psychological and academic impact on the bullies, the targets, and the bystanders. The District shall proactively provide information to students and staff to reinforce respectful relationships. Reports of bullying may be made verbally or in writing. Formal complaints will be documented using the District complaint report form, which can be found on the District's website under "Forms." Student(s) determined to have participated in bullying behavior or retaliated against anyone due to the reporting of bullying behavior may face disciplinary action including: suspension, expulsion and/or referral to law enforcement officials for possible legal action as appropriate. [Click here](#) for more information and signs of bullying.

## BUS RIDERS

It is the cooperative mission of the ECASD and Student Transit to provide safe transportation to and from school in our district. To facilitate this process, guidelines are in place for bus behavior, and the resulting disciplinary actions that may be taken to ensure the safety of our students. These guidelines and policies can be found in the ECASD handbook, which you will receive in a mailing at the beginning of each school year or can request by calling the ECASD district office at 715-852-3002. The handbook can also be viewed by [clicking here](#). It is the responsibility of each student and their parent/guardian to read the guidelines and disciplinary action policy. **Riding the bus is a privilege and not a right. ALL students are required to remain inside the building at all times, except when supervised by an MHS staff member. Students who must leave the building during the school day are required to obtain a building release slip from the attendance office. Failure to follow the appropriate procedure may require contact between the parent/guardian and an administrator to determine acceptability of the reason for leaving the building. **When returning to school or arriving late, students must enter door #15 and check in with the attendance office.**

## COMMONS/LUNCH

The Memorial High School commons serves traditional and á la carte selections each lunch period. Student lunches **MUST** be eaten in the commons or in designated eating areas. At any time, before, during, or afterschool hours, drug-sniffing dogs will be searching lockers, vehicles, the parking lot, and any areas directly supervised, rented, or leased by the school district. These legal random searches are to ensure the safety of the school.

## **DUE PROCESS**

The following due process steps are the procedures for a student and his/her parent to follow in appealing decisions relating to action taken by school personnel. It

Procedures to be followed with suspected or identified students with disabilities shall be consistent with those mandated by law and are specified on the parent placement permission form.

A virtual learning day may be scheduled by the principal. Students will be informed of this in advance through a school email or announcement.

## **FIGHTING/HARASSMENT**

Fighting and/or harassment will not be tolerated on campus, on the school bus, or at any school-sanctioned event. Fighting may result in an out-of-school suspension and possible police referral. Harassment will be investigated, and measures will be taken to ensure that every student is able to attend Memorial High School without fear. Students who instigate fights and/or harassment but are not physically involved in a specific incident submit themselves to the same penalties as those who are physically involved. Any incidents of fighting and/or harassment should be reported to a teacher, counselor, or administrator immediately.

## **FINAL EXAMINATIONS**

A written examination or some other appropriate type of evaluation *may* be given to each student at the end of each semester. Such examinations shall be a minimum of one period in duration. Students must fulfill all obligations to Memorial (return books, fines, etc.) prior to receiving graduation ceremony tickets.

3. Students are expected to report promptly to the designated area of the pass and stay there for the specified amount of time.
4. Students found in the halls without a pass must report to the attendance office to receive an "Unexcused Absence Slip" and may be subject to disciplinary action.
5. The attendance office will not issue an admit slip for students who are tardy going from class to class.
6. Any student abusing the pass privilege may be placed on a no-pass list.

## **HOMEWORK REQUESTS**

Students and parents are asked to access Skyward Family Access or contact teachers through email when needing assignment information due to absences from school. In special cases after 3 consecutive days of an absence, a homework request can be made by calling Student Services at 852-6332. Please allow 24-hours after the request before picking up collected assignments.

## **LOCKERS**

Each student will be assigned one corridor locker and possibly other storage areas for her/his personal use. These lockers and storage areas are the sole property of the Eau Claire Area School District. To ensure student compliance with district rules and regulations, lockers are subject to periodic and random inspection by authorized school personnel. Locker searches are conducted by the school administration or a designee. In addition, scheduled locker clean-outs will be conducted. Students should not attach permanent markings and/or stickers to a locker. Damage caused to a locker is the responsibility of the student and may result in disciplinary and/or monetary action. To ensure the highest security for personal property, students are strongly encouraged not to share a locker or combination with other students. Personal locks may not be used on any district-owned locker.

## **LOST AND FOUND**

The attendance office will act as a clearing agency for lost and found items. It is the student's responsibility to check to see if lost items have been turned in. At the end of each quarter, all items in the lost and found will be discarded. Neither Memorial High School nor any of its organizations are responsible for lost or stolen items.

## **MEDICATIONS**

All medications should be administered at home, rather than at school, whenever possible. When medications are needed during the school day, the ECASD policy and guidelines must be followed. These guidelines are in place for the protection of all students. For ANY medication (prescription or over-the-counter) to be allowed in school, written authorization by a physician/licensed prescriber and parent/guardian must be on file with the school nurse. Medication Management Forms can be downloaded from the district website or by [clicking here](#). This form is valid only for the current school year. It is the responsibility of the student to comply with the school policies/rules relating to student alcohol/drug use. The Eau Claire Area School District assumes no responsibility in circumstances where students bring and consume medication at school without benefit of the procedures outlined within the medication policy.

Step 2: A written determination of the complaint shall be made by the board within 90 days of receipt of the complaint unless the parties agree to an extension of time. Appeals under 20 USC s. 1415 and ch.115, Wis. Stats., relating to the identification, evaluation, educational placement, or the provision of free appropriate public education of a child with an exceptional educational need shall be resolved through the procedures authorized by Ch. 15, sub-Ch. V, Wis. Stats. Complaints under 20 USC s. 1231e-3 and 34 CFR ss. 76.780-76.782, commonly referred to as EDGAR complaints and which proclaim that the state or a sub-grantee is violating a federal statute or regulation that applies to a program, shall be referred directly to the state superintendent.

Step 3: If a complainant wishes to appeal a negative determination, he/she has the right to appeal the decision to the state superintendent within 30 days of the Board's decision. In addition, the complainant may appeal directly to the state superintendent if the Board has not provided written acknowledgment within 45 days of receipt of the complaint. Appeals should be addressed to: State Superintendent, Wisconsin Department of Public Instruction, 125 South Webster Street, P.O. Box 7841, Madison, Wisconsin 53707-7841. ## **OUT-OF-SCHOOL SUSPENSIONS**

1. Students who are suspended from school are not permitted to participate in or attend any school-sponsored activities during the period of the suspension.
2. Out-of-school suspension is considered an excused absence.
3. A parent/guardian conference may be required before a student is allowed back to school.

## **PARKING AND TRAFFIC REGULATIONS**

Parking permits are available for purchase in the business office at Memorial. Forms are also available on the MHS website. Use of the school parking lot is a privilege. Repeated noncompliance with any school rules may result in a student's losing his/her parking lot privilege for a specified period of time. Be aware that

spots for student parking are limited and once the lot is full, no additional permits will be issued for the school year.

## **PERSONAL TRANSPORTATION**

Students who arrange their own transportation to school assume the responsibility for their arrival time. Students who arrive at school tardy due to personal transportation problems will be unexcused. Students should allow additional transportation time in the event of poor weather.

## **PHONE USE**

Student telephone messages will be delivered only in emergencies. Emergency calls from parents or family members should be initiated through the attendance office. Students will be permitted to use the telephones in the attendance office, with approval. Cell phone use is allowed before school, after school, during passing times and during lunch. Students may also use their cell phone or electronic device when given permission from their instructor. Students will not be allowed to leave class, arrive late to class, or leave early to make personal cell phone calls. In no case are students permitted to use personal technology devices in schools or at school-related events while in restroom or locker room facilities. In order to ensure that proper protocol is followed, and no mistakes occur, students shall "power down" all such devices prior to entering either restroom or locker room facilities. Any violation of the protocols associated with personal technology device use in restroom or locker room facilities shall result in a ban for personal use by the student during the time that student is enrolled in the Eau Claire Area School District and may result in referral to the appropriate legal authority for possible prosecution. Expectations for student technology use can also be found on page 41 in the [district handbook](#). Violation of this policy may result in disciplinary actions such as temporary confiscation of the device from one day to a week or more as determined by administration.

## **POSTERS AND NOTICES**

All posters and/or notices displayed within the school or on campus must have prior authorization from an administrator and be displayed in designated areas only.

## **PROGRESS REPORTS**

Quarter grades are Memorial's primary progress report. However, mid-quarter progress reports are sent to parents as indicators of their child's academic achievement during quarters. Students doing unsatisfactory work in their class will be issued progress reports at approximately the mid-point of each grading period. Normally a student who is achieving an F or low D at the end of the fifth week will receive a progress report the sixth week of the quarter.

## **PUPIL RECORDS**

Parents, guardians, and students may examine school records. Requests to examine student records are made through the student services department.

## **RELIGIOUS BELIEFS POLICY**

In accordance with Wisconsin Act 227 and the Eau Claire Area School District's Rules and Regulations #6129, accommodations will be made for students sincerely held religious beliefs as they pertain to the instructional program including examinations and other academic requirement.

## **RIGHTS & RESPONSIBILITIES OF STUDENTS**

All students are entitled to enjoy the basic rights of citizenship recognized and protected by law for persons of their age and maturity. District schools shall foster a climate of mutual respect for the rights of others. Each student is expected to respect the rights and privileges of other students, teachers, and district staff. Students shall exercise their rights responsibly in compliance with the rules established for the orderly conduct of the District's educational mission. The District's rules of conduct and discipline are established to achieve and maintain order in the school. Students who violate District or school rules shall be subject to disciplinary measures designed to correct misconduct and to promote adherence by all students to their responsibilities as citizens in the school community.
