The Memorial Giving Tree

A tradition we are very proud of and is only made possible because of your Generosity!

The **Memorial Giving Tree Fund** was established in 2008 in order to address the growing needs of some of our Memorial students. MHS families, staff and community members contribute to this fund and the monies are then distributed to our students and families in need throughout the year through the assistant of our MHS Counselors.

Donations to this fund can be dropped off in the Attendance office or Student Services. Checks should be made payable to Memorial Giving Tree. Please contact Jane Corning, Memorial Counselor at jadlercorning@ecasd.us or 715-852-6331 if you have any questions. **We are very grateful for all donations to this fund!**

Once again, the Old Abes will be represented in the Macy's Thanksgiving Parade. These five students all auditioned with students all over the nation to be a member of the Macy's Great American Marching Band. We are proud to once again, for the 6th year in a row, to have students chosen to be a part of this group. Check out their story on WEAU's Hello Wisconsin HERE.

Look for them on Thanksgiving Morning!!

The Culinary Arts 2 class has partnered with ZA 51 to develop the recipe for the December Pizza for a Cause. The students worked with in a group to create a recipe, they tested the recipes and were judged. **The Winning Pizza is a Chicken with Balsamic Drizzle.**

Stop by Za51 in December and try out the creation, $1 dollar from every Pizza for a Cause sold will be donated.

Congratulations to the Culinary Arts 2 students Laine Brown (left) and Codey Steurnagel, (right) for creating the winning recipe!

Shrek the Musical

Thank you to the Cast, Crew and Musicians for the AMAZING performance of Shrek the Musical this past weekend. We are a school with incredible talent!! Be sure to check out MHS FB page HERE for more pictures.

Mr. Stutzman's 10th grade World Studies classes learned about Ancient Civilizations by creating some fantastic projects. Students studied ancient Mesopotamia, Egypt, The Indus Valley, China, Greece, and Rome. They researched an aspect of one of those civilizations they found interesting, created a project demonstrating or reflecting that aspect of the civilization, and then wrote a description of what their project was and why it was significant in the ancient world. Students then spent Friday doing a gallery walk in which they learned about what their classmates made and why it was significant. **ALL students did an excellent job!** More picture of the gallery walk can be found on our FB page HERE.

It's A GREAT DAY to be an OLD ABE!
