

In Memory of  
**Mitchell Ryan Denk**

Class of 2005  
16 August 1984 - 17 September 2004

Mitchell Ryan Denk, 20, of Eau Claire, went peacefully to the Lord on Friday, September 17, 2004.

He was born on August 16 1984, in Eau Claire, the son of Danny and Connie (DeMoe) Denk.

He was a student at Memorial High School, where he enjoyed the company of his fellow students and especially his teachers. He had many great days and memories at school; his best of which were days when "Parker" came to visit. Mitch generously gave hugs and handshakes to all students and faculty he was associated with.

Other activities he enjoyed including relaxing in his tube at Sand Lake, the hot tub and pool at Christmas Mountain, and playing with his dog "Sophie."

He is survived by his parents; older brother Chris; and younger sister Jill. He also will be missed by grandparents, uncles, aunts, cousins, neighbors and friends as well as all those whose lives he touched. He was preceded in death by his grandfather, Jack S. De Moe.

The family is very grateful to the devoted friends and caregivers who helped and supported him during his lifetime.
