

Welcome to Memorial High School, Home of the Old Abes!

If you plan to visit us in person, our main entrance has moved. It is now door #15 on the East side of the building coming off of Fairfax Avenue. We have a visitor's parking lot by the entrance for your convenience. When you enter the building, check into the office to receive a visitor's pass.

Please use this website to learn about the programs and activities we offer at MHS. Our site also allows access to important and timely data. Do not hesitate to contact the high school office at 715-852-6300 with questions.

Memorial High School offers a comprehensive educational experience for students. We do our very best to provide a vast array of academic and co-curricular opportunities to facilitate personal growth and challenge our student to "soar" to new heights.

Our staff is truly committed to student achievement; demonstrated by our commitment to post-secondary readiness preparation for each student. Our staff engages in continuous professional development, in order to design and collaborate regarding best educational practices.

The mission and vision of Memorial High School is to prepare our young people with the skills necessary to continue the educational path in becoming life-time learners. All stakeholders at MHS are dedicated to this task.

Students at Memorial practice and demonstrate respect, support, tolerance and responsibility in order to create a positive and safe environment for all. It is a credit to the 1700+ students at MHS that we are routinely identified on both a state-wide and national level for success.
