

# AnnMarie Foundation Technical College Scholarship

One senior from Memorial High School who will be attending a technical college next year will win \$500.00. The criteria includes: **leadership qualities, volunteer efforts or community involvement, and grades.** This is not supposed to go to a student who has won a number of scholarships. In fact, you cannot have won more than \$1,500 at the time you apply. All information requested below must be included in the application submitted in order for the application to be judged.

Please submit one (1) original and four (4) complete copies of the following documents to Ms. Prissel in Student Services by **Thursday, April 6, 2023:**

- A cover page that includes the name of this scholarship, your name, and address.
- A resume that will show judges the above listed qualities.
- A current transcript (you can order through Parchment. Request one copy and you make the additional four other copies.)
- A typed signed letter (by applicant) stating that as of April 6, 2023, you have not won more than \$1,500 in scholarship awards.

If you have questions, please see Mr. Vang in Student Services.
