Mental Health Awareness Month

It can be hard to talk about mental health. Get tips on starting the conversation with your friends, loved ones and your community at [samhsa.gov/mental-health/how-to-talk](https://www.samhsa.gov/mental-health/how-to-talk).

No matter how tough things may seem right now, there is always help available. If you or someone you know is in distress or crisis, call 988 for immediate access to mental health services.

Hmong Club hosted their 3rd Hmong Heritage Event last Friday and they did awesome! There were about 330 people in attendance and the members were really proud to host the community on Friday night. We appreciate you all for your support.

Back in March, Eau Claire North DECA competed at the State Career Development Conference in Lake Geneva. Husky student, Ethan Knutson, was named the State Champion in the Integrated Marketing Campaign-Event project. His marketing campaign for the Hallie Youth Days earned him a trip to Anaheim, California for the International Career Development Conference. With over 23,000 students from around the US and various countries attending, Ethan was able to meet new friends, network with business leaders, and make Husky Nation proud by showing off his skills.
