A Note on Diplomas:
Occasionally when senior students pick up their diploma in June, a student notices their legal name is spelled incorrectly. The spelling of the names is taken directly from the student's record in Skyward. Please check your student's name in Skyward to confirm that the spelling is correct. Also, confirm that it is their legal name. If either of these are incorrect, please stop by the North High School Registrar's office with a copy of your birth certificate so your permanent records can be updated. Diplomas will be ordered March 18, 2024. After this date, any corrections made will be the student's responsibility, including contacting Jostens directly and paying for any cost incurred. Thank you for taking a moment to double check.

ATTENDANCE & FAC

North High Weekly
January 25th, 2024

DID YOU KNOW?

Consistent attendance is the best way to prevent high school drop out. Research shows students who miss 2 or more days a month in high school are 7 times more likely to drop out by senior year. Going to school each day they're not sick helps students set positive habits for attendance throughout their school career.
