Amber's new record is 1:08.16! She also qualified for the D1 State Swim/Dive meet held at Waukesha South HS this weekend. She is the first North swimmer in 11 years to qualify for the state swim meet.

Thursday was National Letter of Intent Signing Day for students offered to continue their playing careers at the NCAA Division 1 level. We are pleased to announce that Maddie Parker will be signing her letter to play softball for the University of Missouri – Kansas City! Congratulations, Maddie!

Over the last couple weeks, Principle of Engineering students conducted client interviews then designed, prototyped, and tested shoes. Feedback from clients led to changes to CAD models and designs.

Handbook Highlight

Homework Request:

Students and parents should access Skyward Family Access or contact teachers through email when needing assignment information due to absences from school. Please allow 24 hours from time of request before returning to pick up collected assignments.

WINTER CARNIVAL JANUARY 13TH!

Students must have 95% attendance between November 27th and December 22nd (Thanksgiving Break to Winter Break) to purchase a ticket. Unexcused absences need to be cleared before January 5th!

Thinking about missing another day?
Make the most of classroom opportunities!
When students are not in school, they miss opportunities to participate in classroom activities and socialize with their peers. By attending school each day they are not sick, students are more engaged in learning.
