### Heading to school!

#### What should I know?

Set your student up for success. Research shows that students missing 10 days by December are more likely to fail at least one class.

Maximize learning time by encouraging attendance **when students are not sick.**

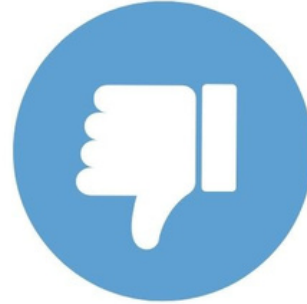

**PARENTS!** Did you know that you can report your student's absence from your phone? Click [HERE](#) for a 60 second video on using the mobile app to submit absence requests.

\*Please allow 24 hours for an absence to be entered or corrected if submitted via voicemail\*

## SCHOOL BREAKFAST 7:00am – 7:30am

One of the best tools that we can use to help all students succeed is to make sure they eat a healthy and nutritious breakfast. If breakfast at home is not convenient, please take advantage of breakfast at school. Studies have shown that students who eat breakfast:

- ✓ Perform better in school
- ✓ Are less likely to be overweight
- ✓ Are tardy less often
- ✓ Have fewer behavior problems
- ✓ Are more attentive in class
- ✓ Have decreased absences
