## SHINY NEW CULINARY LAB

Teachers (from left): Alisa Schrader, Renee Moorehead and Valerie Matz

Eau Claire North's Family and Consumer Sciences Department is excited to share with you our newly renovated Culinary Lab. For the past five years we have worked to create a plan that would support the needs of our increasing enrollment in culinary courses, the need for a safer space to accommodate all students, the trends of local employment data, the need to have a strong program of study that would support teaching the Pro-Start industry based curriculum, opportunities for mentored work experience, and opportunities for potential post-secondary partnerships. We are excited for Husky Nation to have a space that will support and address all these needs.

This space would not be possible without the input we received from our Hospitality Advisory, numerous area businesses, the members of our local chapter of Wisconsin's Restaurant Association, and our local technical college and universities. We hope you'll be able to join us at an open house later this fall.

### HEAD LICE IN SCHOOLS

- Head lice can be a nuisance, but they have not been shown to spread disease.
- Personal hygiene or cleanliness in the home or school has nothing to do with getting head lice.
- Transmission of head lice usually occurs through direct contact with the head of another infested individual.
- Lice cannot hop or fly; they crawl. Nits (eggs) are attached to the hair shaft with a glue-like substance and are very unlikely to be transferred successfully to other people. In-school transmission is considered to be rare.
- When live head lice are found on a student, the parent/guardian will be notified by phone. The student will remain in the classroom, and a letter with treatment information will be sent home with the student at the end of the day.
- When nits (eggs) are found on a student, the student will remain in the classroom, and a letter with treatment information will be sent home with the student at the end of the day.
- Parents are asked to treat for head lice and remove all nits (eggs) before sending their child back to school. Most lice treatments do not kill nits, so it is important to remove all nits to prevent them from hatching into live lice.
- Treatment for lice is not recommended unless the child actually has lice. Parents are encouraged to make checking for head lice a part of routine hygiene, as lice is present in the community at all times of the year.
- Lice cases are tracked, and letters to parents notifying them of lice in the classroom will be sent out on an as-needed basis as determined by the school nurse and administrator.
- ECASD procedures for head lice management are based on recommendations from the CDC, AAP, the National Association of School Nurses, the WI DPI, and the ECASD Medical Advisor.

### 2019 YEARBOOKS COMING SOON

We are still awaiting delivery of the 2019 yearbooks. We had planned for a fall-delivery of the yearbooks, but we had a very small yearbook staff last year and several of the pages needed to be completed and/or edited extensively during the summer. That said, we do anticipate delivery very soon. Apologies on the delay.

When the books arrive, we plan to distribute them in the NHS Commons during all lunch shifts for several days. There will be notification via the daily announcements and on the North website. If your son or daughter graduated in the spring, a sibling or family friend will be allowed pick up a yearbook with written permission (email is fine) to do so. Or, if you let us know ahead of time, we can have the yearbook at the reception desk in the main office. Please contact [Cheryl Boone](#) with additional questions at. Thank you for your patience and understanding!

### ART CLUB MEETING NEXT WEEK

Students interested in joining Art Club at North should attend the organizational meeting on Sept. 18th after school in room 443. Students should bring a leaf, about the size of their hand, to this meeting to make something pretty cool with it.

### STUDENT COUNCIL FALL BLOOD DRIVE SEPT. 18

The North High School Student Council Fall Blood Drive is Thursday, Sept. 18th. Students can sign up to donate blood starting next Monday, Sept. 9th during lunch hours.

## KENDRA PAGEL STEPS UP AT HEAD COACH

Last spring, Kendra Pagel became the new North High School Head Volleyball Coach. Pagel worked as an assistant volleyball coach for the past three years at North. Before that, she was the head volleyball coach at Regis where she led the team to their first volleyball state championship in school history.

She sees the best in every player and expects them to work hard.

This week the Eau Claire Leader-Telegram published a story that featured the new coach, and her team. [Read the entire article on the Leader-Telegram website.](#)

## SHOW YOUR HUSKY PRIDE

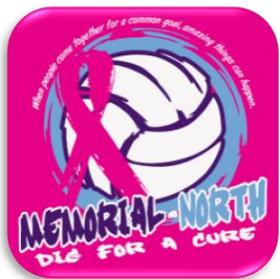

Thank you to Husky Parents, Dawn Beyreis and Brian Steele for sharing your photos with our community.

### MEET OUR NEW ATHLETIC DIRECTOR/ASSIST. PRINCIPAL, MIKE PERNSTEINER

Mike Pernsteiner returns to North High School after spending two years in Wausau serving as an athletic director. Mike probably looks familiar to many of you because he served as a Special Education Teacher at North for many years while also serving as our Head Wrestling Coach. He also stepped in as a substitute administrator at North for several months, as well.

### NORTH & MEMORIAL VOLLEYBALL TEAM UP

North and Memorial volleyball will be sponsoring a joint “Dig for a Cure” event in October to join the fight against breast cancer. [Order your t-shirt here](#) (design on left) with code: meno19. T-shirts are \$15 each. Orders must be placed before September 18th and will be available for pick-up at North the week of October 7th so you have your t-shirt in time to wear it to the North -vs- Memorial volleyball match on October 10th at Memorial. \$7 from each t-shirt sold will be donate to either the Susan Komen Foundation or American Cancer Society Making Strides Against Breast Cancer.

**SENIOR PORTRAIT SUBMISSION**

The North High School Yearbook staff would like to remind parents and students of the Class of 2020 that senior pictures should be taken during the summer months. Since senior portraits are traditionally printed in color, the deadline for submission to be included in the yearbook will be Friday, January 3 -- FIRM. Don't be disappointed; schedule an appointment with the photographer of your choice soon.

Only digital photos are accepted for use in the yearbook. We also suggest that a more traditional pose (head and shoulders) works best in the yearbook. If you request it, most photographers in the area will submit a camera-ready, digital photograph to the school directly as a service to you. Please request they send the (minimum) wallet-sized file as a jpeg with a minimum of 300 dpi resolution to [cboone@ecasd.us](mailto:cboone@ecasd.us). All you need to do is select your pose and place the order.

**SENIORS – MAKE APPOINTMENTS**

Seniors, please make an appointment first quarter to see your counselor for your senior meeting. Counselors will meet with every senior to discuss credits, graduation requirements, as well as post-secondary planning. Stop by Student Services and set up an appointment with your counselor through Ms. Forrestal beginning Monday, September 16<sup>th</sup>.

**SENIORS APPLYING TO SCHOOLS**

Please be aware that the student will be responsible for submitting the application, application fee, transcript, and any other supporting documents to the schools in which they are applying. Students must request a transcript through North's homepage using the "order records" icon.

**CLASS OF 2020 GROUP PHOTO**

Stay tuned for more information on a reschedule date.

**CLASS OF 2020 ALL NIGHT PARTY AT ACTION CITY**

We are still looking for a chairperson for this year's All Night Party at Action City. Please email [Janelle Patenaude](mailto:janelle.patenaude) if you are interested. We also need many more parent volunteers to make this important event a success for your students. Please reach to Janelle if you are interested in helping out!
