

What is a Support Group?

A student support group is designed to give teens a safe place to talk about concerns, be heard, share ideas, and help other teens reach their goals. Leading the Teen Support Group will be a licensed therapist approved and supported by ECASD.

Information for Student & Family School-Based Mental Health

LET'S TALK ABOUT IT

Confidential Teen Conversations About:

- Worries, Manage Stress and Fears
- Anxiety and/or Depression
- School and Family Concerns
- Friendships and Social Media
- Relationships with Family, Parents, Peers
- Gender and Sexuality
- Self-Care, Wellness, Goals and Dreams
- Anything you need to talk about can be discussed in a private, safe and caring setting.

Our ECASD students care and want to succeed! High School and Middle School students may self-refer to the program.

Moving Forward Together

Anything is possible when you have the right people there to support you. X MISTY COPELAND GH ECASD
