

Sketchbook Ideas!

When you finish one, fill in the circle!

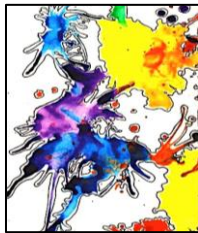

- Draw something that begins with the letter S.

- Fill the page with circles that are all different sizes! Then, fill each one with a different design!

- Splat different colors of watercolor paint onto the paper, then trace each one in sharpie!

- Divide the paper into 5 different sections! Inside each section, draw one of the following:

1. An eye ball!
2. Numbers!
3. Something with lots of color!
4. A natural object!
5. Anything you would like!

- Fill a page with 50 different kinds of lines- choose different colors too!

- Look out any window in your home and draw what you see!

- Write your name in an Artsy or crazy creative way!

- Draw a haunted house!

- Drip paint or ink onto the paper, blow it around with a straw, and use a sharpie to turn it into some type of monster!

- Design and draw a pair of shoes! Write 5 sentences explaining what you created, who would wear them, and why!

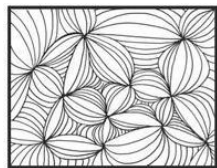

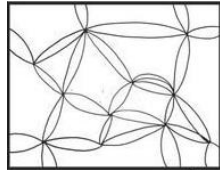

- Create a peacock with creative and different patterned feathers!

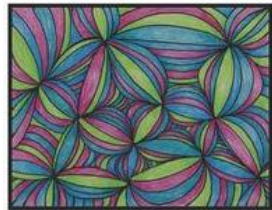

- **Op Art: A style of abstract art that creates optical illusions with lines, shades, and forms!**

1. Draw 7-15 dots on the paper.
2. Connect the dots with curved lines. (Some curved lines should go off the page to an imaginary dot)
3. Keep adding curved lines from dot to dot, making larger curves until the page is full!

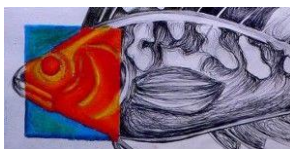

4. Choose a color scheme and color in your design. Create a 3-D effect by pressing harder near the dots and softer in the middle of each section!

- **Draw squares and create swatches of fabric that you would design!**

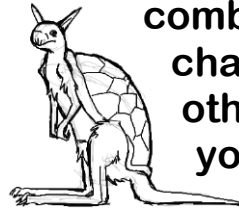

- **Draw a fish using pencil, and then draw 3 different size squares on it. Everything inside the squares in color and everything else black and white!**

and everything else black and white!

- **Create a new animal by combining different characteristics of others! Make sure you name it!**

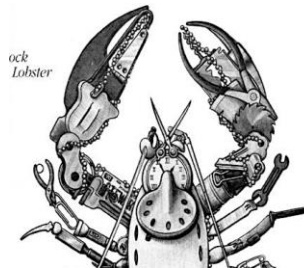

- **Draw a picture of your favorite food! Don't forget to add color!**

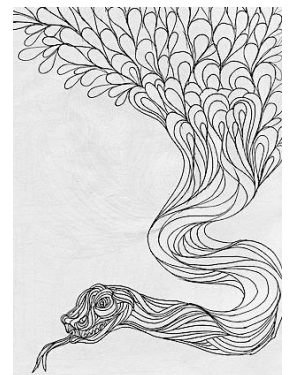

- **Draw a teapot pouring into a teacup... instead of drawing tea, use words from your favorite book!**

- **Draw an animal that looks like it's actually a robot and made from mechanical parts!**

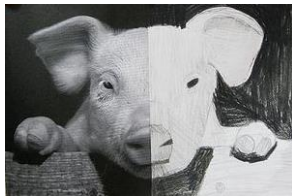

- **Create designs and lines intertwining with each other at the top of the page. Eventually, have them combine half way down and create the head of a snake!**

- Choose any utensil from your kitchen and draw it from several different angles. Finally, color it in using abstract colors!

- Print a photo of a person or animal. Cut the photo in half and glue one piece into your sketchbook. Finally, draw the other half of the photo!

- Draw windows that you have seen on buildings... then create some of your own!

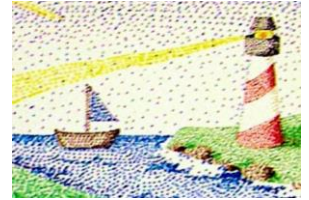

- Draw a doughnut with frosting on the top. Instead of colorful sprinkles, however, draw something else sprinkled on the doughnut!

- Create your own cartoon character and draw them a sidekick!

- Pointillism: A technique from the neo-impressionist period using tiny dots to create an image. Create a photo using a pointillist method!

- Draw a picture of a landscape using pencil. Then draw 4 – 5 vertical lines through it. Finally, color in the sections using your chosen material.

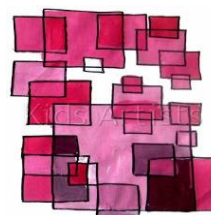

Some sections should be colored as if it is nighttime, while others should represent daytime!

- Use a ruler to draw a grid on your paper. Then fill in the sections with different colors to create a design.

- Draw several different shapes and sizes on your paper. Trace them in sharpie. Then fill them in using tints and shades of your chosen color!

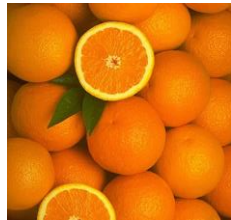

- Draw a profile view of the inside of an anthill going underground. Get creative design them the perfect home!

- Draw a cow using a specific artist's style... ask your amazing Art teacher for a few fun artists that can inspire you!

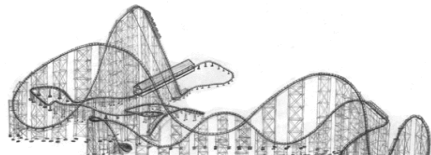

- Fill this page with drawings or paintings of things that are orange!

- Design a pair of socks that you would purchase if you could! (They don't have to match!)

- Design a crazy twisty rollercoaster!

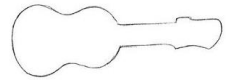

- Draw a line around the entire page made of ovals using sharpie. Then fill them in using watercolor paint!

- Choose an object and create a logo for the word in the shape of the object.

1. Draw the shape of the object lightly in pencil.
2. Fill in the shape with the letters of the word.
3. Erase the outside shape lines and color the letters in!

- Choose one word from each section and draw it! Make sure you include a lot of ideas of your own!
