

HELLO!

So glad to hear from you! With the unique circumstances related to COVID-19, Governor Evers has instructed schools to close and for the public to practice social distancing. While I may not be seeing you face-to-face at Montessori, I am still working and available to connect and collaborate as we all support one another and make the most of our time at home.

I am available by email, phone, and video chat Monday through Friday, 8:00am to 4:00pm. Feel free to use whichever means of communication that is most convenient and comfortable for you. If you have a particular concern or would like to schedule a specific time for us to dialogue, please take a moment to fill out the [Student/Family Check-in Form](#) and I will be sure to reach out to you shortly. You and/or your child are also welcome to use this form as an opportunity to share important insights and information with me before we talk "in-person" so I have an idea as to how to best support you.
