

Hello E2 friends,

I miss you and I hope you are all well and enjoying the spring weather. I will be sending some notes to you through your classroom teachers each week. Please check out some opportunities to make music .

If you haven't checked in on Canvas recently, there are several things new there in music.

There is a video of me singing Old Dan Tucker

<https://drive.google.com/open?id=116pP2UwFiAudzF72157eO2B-VM80OCzL> and Once an Austrian went Yodeling. Please check it out and then sing along with me. Leave me a comment when you have participated. I want to hear from you.

I have also uploaded the worksheets for the recorder karate stuff so you can do everything you need to earn belts for recorder. This is a great time to get those belts. Be sure to read everything on the page in your recorder Karate book. Each new musical idea is explained in the books. As always be sure to check the comments I leave after you get graded for each one. I ALWAYS leave comments so make sure to read them or watch my video comment.

If you are looking for more musical activities, check out a page on Facebook (with your parent's permission, of course) called The Singing Space.

https://www.facebook.com/search/top/?q=the%20singing%20space&epa=SEARCH_BOX It is a place where music teachers from all over are uploading songs for kids. I have made several videos for this page and I have also posted them on the Chippewa Valley Montessori Parent Page.

I will send updates through your teachers, but you should also be checking Canvas regularly. If you have any trouble with any of these things, please let me know and I will see if I can find a way to help you.

Knoxxy and I are doing well. Please be in touch and let me know if I can help in anyway. I would love to see pictures or videos of you making music. Please share.

Be well and keep singing!

Love,

Ms. Traci
