Job Summary

The Teaching & Learning Coordinator - Social, Emotional & Academic Supports is responsible for working with a team to provide leadership of the pupil services team under the direction of the Director of Social, Emotional, and Academic Supports. The Teaching & Learning Coordinator - Social, Emotional & Academic Supports, in collaboration with other district departments, assists with the implementation and development of the District EMLSS framework across all schools and provides knowledge, guidance, and support to braid academic and behavioral systems at the universal, selective, and intensive levels to increase student achievement for all students. Position objectives include assisting with the coordination of the PK-12 counseling program, Academic and Career Planning, Positive Behavior Intervention and Supports, social emotional learning resources and curriculum, coordination of relevant professional learning; assist with coordinating Tier II/III supports and services; and coordinating post-secondary transition opportunities for students.

Essential Job Functions

- Assists with the leadership, vision, and goal alignment to ensure continuous organizational development and improvement to support the District's vision and strategic plan.
- Assists with the direction, coordination, and guidance to the District's PK-12 counseling services and outside contracted services.
- Supports school district action steps through the use of relevant data, i.e., Equitable Multi-Level System of Supports (EMLSS), PBIS including the facilitation of small groups/SAIG, Social Emotional Learning (SEL), Culturally Responsive Practices post-secondary readiness, Trauma Informed Care, etc.
- Supports the pupil services team (school counselors, social workers, & school psychologists).
- Assists with the implementation of PBIS systems across all schools.
- Provides leadership for sustainability and expansion of PBIS practices District wide.
- Supports and provides professional learning to develop and maintain school wide PBIS systems.

- Develops and delivers a school counseling curriculum focused on academic, personal/social, and career development, including Academic and Career Planning (ACP) that prepares all students for post-secondary opportunities.
- Provides system support to establish, maintain, and enhance a supportive learning environments.
- Provides leadership to implement and sustain the Wisconsin Department of Public Instruction's Social and Emotional Learning Competencies within the PBIS framework.
- Assists schools with effective attendance practices and procedures.
- Maintains a high level of knowledge regarding Section 504 plans and assists staff with implementation of the plans.
- Assists in monitoring the fidelity of braiding academic, social, and emotional learning support systems.
- Provides leadership, training, consultation, and support to building staff to facilitate implementation of an EMLSS at the District and school levels.
- Provides support to school leaders in the implementation of the EMLSS framework to support the vision, mission, and goals of school improvement.
- Incorporates policies and procedures in accordance with laws and regulations.
- Assists with updating the Academic and Career Planning guides.
- Provides input for the Teaching and Learning Budget.
