Fitness Feet and Reading Charms: Your March Tip

Here is a way to get 20 minutes of physical activity while finding an interesting book to read!

Have you ever heard of a Little Library? They are little book boxes that you can take a book to read and exchange it with another. There are many Little Libraries in the Manz Elementary School neighborhood! They often have books of different reading levels.

Take a walk, bike ride, or a jog over to a Little Library near your house! Take a book, read it, and return it when you are done (or keep it and exchange it with a different one you'd like to share).

Thank you to our School Social Worker!

The beginning of March was "National School Social Worker Week" and we are very proud to have Social Worker, **Kara Lake**, at Manz Elementary! Ms. Lake has a tremendous impact on the lives of our students and families! School social workers are trained mental health professionals who provide services related to individuals' social, emotional, and life adjustment to school and society.

A few housekeeping notes....

*If you are missing mittens, hats, etc., our Lost and Found is FULL! Please have your child look in the Lost and Found to retrieve items.
