Meadowview Mission

The Meadowview Community is committed to developing lifelong learners who are respectful, productive members of a diverse world.

Dear Meadowview Parents:

Welcome to another school year! We especially would like to extend a warm welcome to the students and families who are new to Meadowview this year. We are looking forward to an exciting year of learning, sharing, growing, and achieving. As we continue to strive for quality and excellence, we invite and encourage you to stay involved in your child's education. We are extremely proud of our great students, our terrific staff, and our dedicated and involved parent partners – namely you!

We would ask that you review and share this handbook with your child. Your interest, involvement and positive attitude towards the school and staff provides a model for your child that will enhance their caring, enthusiasm and positive school attitude for a lifetime of learning. Our home/school relationship is the primary ingredient in a recipe for school success!

Each child's academic achievement is essential to their future goals and direction, but we also know we are working to build great citizens for our school, community and world. We will spend time this year working on the following building blocks in this worthy endeavor. Please take time to talk about how your expectations at home fit with these building blocks so your child sees the important connections in this part of our partnership as well.

This handbook was developed with parents for your ease of use throughout the entire school year. We invite you to keep this in a handy location for future reference. Please do not hesitate to call your child's teacher or myself at 852-4000 with any questions, concerns or comments anytime during the school year. We invite and welcome your input and feedback.

Here's wishing you and your child(ren) a year of great learning, laughter and love!

Your partner in education,

Kurt Madsen
Principal

Meadowview School Rules

Be Respectful

Treat others the way I want to be treated.

Be Responsible

Follow directions & do my best work.

Be Safe

Keep hands and feet to self & follow rules.

SCHOOL DAY

3	11:20 - 11:50	11:50 – 12:10
4	11:05 – 11:35	11:35 – 11:55
5	11:50 – 12:20	12:20 – 12:40

Lunch/Breakfast

Parents are invited to schedule a special date with their child to enjoy recess and have lunch together in our school cafeteria. We respectfully request that visiting parents join their child by either participating in the school lunch program or by bringing a brown bag lunch.

The Food and Nutrition Program uses a computerized meal system. This system requires parents/guardians to **PREPAY** money into an account instead of buying tickets in advance. Use the meal/milk prepayment envelopes to send payments. Checks should be made out to Meadowview School or you may sign up to make electronic prepayments at MySchoolBucks.com

Meal prices for the school lunch program for the 2019-2020 school year are:

	<u>Student</u>	<u>Adult</u>
Full Price Lunch	2.65	3.60
Reduced Price Lunch	.40	
Full Price Breakfast	1.00	1.75
Reduced Price Breakfast	.30	
Milk (Ala cart, ½ pint)	.50	.50

Each child will have a Pin Number (Personal Identification Number) and will use it when participating in the meal/milk program even if they qualify for free or reduced meals. Your child will keep the same pin number as long as they are in the ECASD.

If you have questions about your child's account balance, please call the school and ask to speak with the cook. The cook can provide an activity report and a current account balance.

Your child is always welcome to participate in the school breakfast program! Children participating in the school breakfast program should be here no later than 8:00am.

At any time during the school year Free and Reduced lunch forms can be picked up and returned to Meadowview or the Food and Nutrition Office located at the Board Office at 500 Main Street (852-3023). For more information see website: <http://www.ecasd.us/District/Departments/Food-and-Nutrition/Free-and-Reduced-Information>

*Classrooms vary on daily snacks please check with the classroom teacher for appropriate snacks.

Playground Guidelines

We will hold indoor recess when it is raining outside or for cold temperatures (air temperature is below 0°F degrees or wind chill is below -10°F)

During the winter, students are expected to dress appropriately. Students are to wear boots and snow pants if they want to leave the shoveled blacktop area.

Restricted Physical Activity -If a child must stay inside from recess for medical reasons, parents are required to send a note from a health care provider detailing the period of time of restricted activity.

Emergency Closings

At the beginning of each school year, parents are required to complete an Emergency School Closing form that will provide the school with instructions on what to do with your child in the event of an emergency closing. It is important to note that the YMCA does not operate on emergency school closing situations. Each child needs an alternative plan.

***Weather Related Closings:** All decisions to cancel school are made by the Superintendent or designee. Local radio stations and television will announce school closings by 6:30 a.m. or during a newscast. Television: WQOW (18), and WEAU (13). It will also be posted on the ECASD web site.

On very rare occasions, extreme weather conditions may require that schools close early. The Eau Claire Area School District must make the 'early closing' decision by 11:00 AM. Please listen to the radio or television for important announcements.

***Emergency Drills**

Throughout the course of the school year we will conduct several drills with the students to ensure that all staff and students understand and know how to respond/what to do in the event of an unplanned situation. Drills are held periodically to practice emergency procedures in an efficient and safe manner. Each school year, we practice the following drills:

- **Fire** – fire in and around building
- **Severe weather** – severe thunderstorms, tornadoes, hurricanes, ect...

- **Hold** – a non-threatening situation in the building that requires attention without the disruption/commotion of students in hallways, certain classrooms, ect...
- **Secure** – a situation in which the safety of students/staff can be threatened or endangered
- **Intruder Alert** – a situation in which an armed person is in our building
- **Evacuate** – an unsafe situation in or around the building requiring us to leave the building
- In the event that there is an emergency and we have to evacuate the building, there will be a **red flag hanging on our school flagpole. This means that no one should enter the school building!** The students and staff will evacuate to Hope United Methodist Church on Fairfax Street. If it is not safe for us to return to school, we will use the emergency forms that you completed and contact you or your emergency contact person to pick up your child/ren. There may be times when we have to evacuate for a short period and be allowed to return to school. In this case, we will bring all the children back.

SAFE ROUTES TO SCHOOL

Crossing Guard

An adult crossing guard crosses children at the corner of Golf Rd and Fairfax St. from 7:30am-8:30am and 2:45pm-3:45pm.

Safety Patrol

We have 5th grade safety patrol students who stand at the intersection of Meadow Lane and Fairfax Street, Meadow Lane and Rye Ct., the middle of Fairfax St., the entrance to the front parking lot and the back parking lot entrance and exit. They are there every day from 8:00am-8:11am and 3:00pm – 3:15pm.

Drop off and Pick up

You can drop off your child at the south side parking lot, playground or along Fairfax Street. Meadowview staff will provide supervision for children who arrive between 8:00 and the start of the school day. There is no supervision before this time so parents are responsible for their children before 8:00am.

When picking up children please make plans before the school day as to where you will meet your child. You can pick them up in the back parking lot, on Fairfax St., or wait for your child on the playground or in front of the building. During inclement weather you can wait for your child at the end of the hallways by the media center.

Safety at Meadowview

1. Please use sidewalks and crosswalks. When parking on the east side (far side) of Fairfax Street please use the crosswalks to cross Fairfax St. Please use sidewalks instead of cutting through the parking lot.
2. Please travel south (away from Golf Rd.) during drop off and pick up times. The road is very crowded and dangerous with four lanes of vehicles on it. Also, turning a car around on Fairfax is very dangerous.
3. If you are parked in the front parking lot, please wait until the busses have left before you exit.
4. Please drive slowly. Be on the look out for children and parents in the street, in between cars and coming out of opening car doors. **Thank you for considering these safety guidelines.**

Bicycles/Skateboards/Rollerblades/Scooters

Children may ride their bikes to school. The bikes must be placed in the racks provided, we recommend that locks be used. Skateboards, rollerblades, and scooters will be treated the same as bicycles that are used to travel to and from school. For safety reasons we do not allow any of these to be ridden on the school grounds; they should be walked or carried on the school grounds before and after school.

Student Transit

The Student Transit provides all bus service for Meadowview. At the beginning of the year they will send letters to families that have children riding the bus to inform them of the bus schedule. They can be reached at student-transit.com/bus-schedules.htm or #839-5116.

If a student is planning to take a bus home with another student a note from the parent needs to be sent to school and signed by the principal.

ATTENDANCE

What You Will See at School This Year:

- Your child needs to be at school when the bell rings at 8:15 am.
- We will be taking attendance 4 times during the day.

• Period 1	• 8:15 – 10:00
• Period 2	• 10:00 – 11:45
• Period 3	• 11:45 – 1:30
• Period 4	• 1:30 – 3:10

- After 5 minutes of the first bell, an absence will be recorded if your child isn't at school.
- If your child is unable to attend school, we need you to contact the office by
 - 8:30 am on the day of the absence. Please call #852-4000
- If your child is late more than 5 minutes from the start of ANY period, they will be marked absent for that period.
- After 5 unexcused absences (all or part of a day), we will invite you to meet with us to help develop a plan to improve your child's attendance.
- Unexcused absences can be avoided by contacting the office By 8:30 on the day of an absence with an acceptable reason for the absence as listed below:
 - Personal Illness
 - Illness in the immediate family which requires the student to be absent because of family responsibilities
 - Funeral
 - Religious holiday
 - Family trips that can be taken only during the normal school term. Family member must notify the school prior to their departure
 - Professional or court appointments that could not be scheduled outside the regular school day

- Serious personal or family crisis
 - Approved school activities during class time
 - Special circumstances that show good cause which are approved *in advance* by the school principal.
- Students are allowed 10 excused absences per school year using one of the reasons listed above. (Please bring a note from any professional appointments for it to be considered excused.)

Reporting an Absence

If we have not heard from you regarding your child’s absence, we will contact you after 8:30 am. Reporting student absences via e-mail is not recommended because staff may not have the chance to access their e-mail until the end of the day.

Tardy

Children who are tardy should report to the office before going to their classroom. All tardies are considered unexcused unless we receive communication from the parent/guardian stating otherwise.

Leaving in the Middle of the Day

If a child needs to leave during the middle of the day please send a note with the child. A parent or guardian will need to come into the school to sign the child out. Please do not call or e-mail the teachers, they may not get the message until after school.

Vacations

If your child must be out of town or vacation during school, please send a note for pre-approval to the principal and classroom teacher. A week’s notice is preferable.

COMMUNICATION

Contacting a Teacher

Please feel free to contact your child’s teacher anytime through a note, e-mail or phone message. Teachers will check their e-mails and phone messages at the end of the day. If you have other messages that need to get to the teacher during the day, please call the office.

Contacting a Student

On rare occasions, it is necessary for a parent to contact a child during school hours. This should be done through the office. Please make after-school and transportation arrangements with your child before they leave for school. Make sure your child understands the plans.

Contacting the School

The office hours are 7:30 am – 4:00 pm. Please feel free to call the office any time at 852-4000. The Partnership Coordinator can be reached at 852-4007 or by e-mail at slindstedt@ecasd.us .

Electronic Newsletter/School News

Every week we send out an electronic weekly Meadowview Update to let families know about current and upcoming activities. If you do not have e-mail please let us know and we will send a hard copy home with your child.

PTO

PTO stands for Parent Teacher Organization. It is open to any parent who has a child attending Meadowview Elementary School. There are no annual dues and we warmly welcome everyone. The PTO plans and pays for many special events and on-going activities throughout the year.

PTO Sponsored Activities

Apparel –Every Fall we hold a t-shirt and sweatshirt sale; selling the items at cost.

Book Fair – Run the book fair during conferences

Deck the Halls – Parents decorate the halls with students’ holiday art work.

End of Year Celebration – Held on the afternoon of the last day of school for students and staff

Fieldtrips – We sponsor many extra fieldtrips during the year.

Fifth Grade Party –A celebration for fifth graders who are ending their elementary years

Impressions – Celebration of the arts - children create pieces based on a selected theme

PAC Representatives – Attend monthly meetings

Popcorn Days – This is held 3 times per year. Every student receives a bag of popcorn to be eaten during the designated class time. Students may give a 25 cent donation to the non profit group chosen for that particular day.

Spring Dance – Held in March for families to attend together

Staff Appreciation – We honor the teachers in many ways with conference meals, snacks and various other activities.

Yearbook – Every year the PTO designs and produces a yearbook that is available for purchase at the end of the year.

Collection Projects – These are collected in the front entry way of the school. You may drop them off anytime or send them with your student.

Milk Tops

Box Tops for Education

Fundraising

To fund activities, fieldtrips and classroom monies we have one or two fundraisers a year. This fall we are having a coupon book sale.

If interested in participating or volunteering for PTO sponsored activities, there will be a sign-up table in the entry way on Welcome Back to School Day.

If you have any questions, please feel free to call the 2018/2019 PTO President:

Sherri Gibson

SCHOOL SPONSORED ACTIVITIES

Welcome Back to School Day

The first day of school is a day that families attend together. Families come with their students to meet their teacher and bring in their supplies. Plan on 45 minutes per child. When the child has met the teacher and the family has filled out the necessary forms the child is dismissed for the day. This is also a good time to tour the school, meet other staff and see what Meadowview PTO has to offer. Letters are sent home in August with details of the day's activities.

Conferences

Conferences are held two times a year. It is our goal to have every child have a parent/ guardian at their conferences. Childcare is available for siblings ages one year to 12 years.

Classroom Parties

There are three regularly scheduled holiday parties during the year: Halloween, Winter (December), and Valentine's Day.

Children's birthday party invitations should be distributed through the U.S. Mail, unless the entire class is invited. Children who do not receive invitations at school while others do are often hurt or discouraged.

School \$ense

Since 1993, Meadowview has partnered with RCU for the purpose of promoting the importance of savings. Every Wednesday students may bring in their money to deposit into their account

The credit union operates on Wednesdays during the student lunchtime. Students may complete an application found online at www.rcu.org or at any RCU office. Applications can be returned to the school office or an RCU office. Information can be obtained at the RCU table on Welcome Back to School Day.

PBIS and RC at Meadowview

PBIS is an implementation framework that is designed to enhance academic and social behavior outcomes for all students. Meadowview is implementing PBIS through setting and teaching behavioral expectations. This creates a positive environment for learning.

Meadowview is an RC school, which follows two fundamental ideals:

- know children individually, culturally, & developmentally
- academic learning happens best within a positive social context

How Do They Work Together?

RC and PBIS complement each other in that they both believe it is important to assume nothing and teach everything.

During the first days of school, all students will have the opportunity to go through our Expectation Stations where they will see, hear, and practice the behavior for each particular location (i.e. hallway, bathroom, playground, etc.).

Social Competence & Academic Achievement

The social competence and academic success of students depends on the partnerships between family, school & community.

Teachers and staff use evidence-based practices to increase student learning and decrease classroom disruptions. To support students in following the rules in a positive manner we do the following when teaching academics and behavior:

- Constantly teach and refer to our school-wide expectations
- Provide students with more praise than corrections
- Talk to students with respect using positive voice tone
- Actively engage everyone in the class during instruction
- Use re-teaching, reminding, and redirecting as we teach
- Look for the positive first and provide positive, immediate, frequent, and explicit feedback

School Rules & Voice Scale

As a school we have established three school rules based on classroom rules. These rules are:

- Be Respectful
- Be Responsible
- Be Safe

With these rules we developed a behavior matrix that explains and shows how these rules apply in different locations at school. Along with this we use the 5-point voice scale, shown below, to indicate the type of voice used in different locations. For example, we ask all students have a #2 Voice and whisper in the hallway and a #1 Voice and make No Sound in the bathrooms, as noise will disrupt other students learning.

5		Outdoor
4		Cheer/Chant
3		Talk
2		Whisper
1		No Sound

PBIS and RC at Home

PBIS and RC are not only things that happen at school, they can also be used at home.

- Get together as a family, decide on your rules for home, or use the ones from school.
- Discuss how behavior would look like in different settings at home.
- Create a behavior matrix for the different settings at home.
- Create a positive environment where children can succeed and know they can meet the expectations.
- If expectations are not met, they have the opportunity to practice and learn the expected behavior.

	Mealtime	Bathroom
Respect Self	Make healthy food choices	Maintain privacy
Respect Others	Use good manners	Flush
Respect the environment	Put dirty dishes in sink	Pick up wet towels

HEALTH SERVICES

Hearing and Vision Screening

Each fall, volunteer parents, under the direction of the City-County Health Department, will give a hearing test to students in grades K/1 and a vision screening to all students in K/2/4. Should either test indicate a problem, a retest is given. If the child does not pass the retest, the parents will be notified in writing by the Health Department with a recommendation to consult a doctor for further examination. The vision and hearing testing we conduct is simply a screening measure and is not meant to replace regular medical appointments.

Immunizations

Wisconsin State Statute 252.04 requires that all students through grade 12 who do not submit waivers must present evidence of having received at least the first dose of each vaccine required for their grade within 30 school days of admission and the second dose of DTP/DTaP/DT/Td, Polio, MMR, Hepatitis B and varicella vaccines within 90 school days of admission. Evidence of the third and fourth doses (if required for their grade) of DTP/DTaP/DT/Td, Polio and the third dose of Hepatitis B vaccines must be submitted within 30 school days of the beginning of the next school year.

It is the parent's responsibility to make sure that their child meets this requirement. We require evidence of these immunizations to be kept in the child's cumulative file. If immunizations are not up-to-date, your child may be excluded from school until the proper immunizations are received.

Sick Child Guidelines

Please keep your child home if he/she currently has or has had these symptoms in the last 24 hours:

Temperature of 100.5° or more, Diarrhea, Vomiting, Persistent coughing, or a draining or spreading rash.

Restricted Physical Activity: If a child must stay inside from recess or sit out from gym class for medical reasons, parents are required to send a note from a health care provider detailing the period of time of restricted activity.

Medications

Whenever possible, all medications should be administered at home; however, under certain circumstances it may be necessary for a student to take medication while in school. No prescription or over-the-counter (OTC) medication shall be given to a student by any employee of the District unless written instructions for administering medication, signed by the prescribing physician/licensed prescriber, along with written authorization from the parent(s)/guardian(s), authorizing school personnel to give medication in the dosage prescribed by the physician/licensed prescriber, have been delivered along with the drug to designated school personnel. **In order for school personnel to administer the medication, parent(s)/guardian(s) must complete and submit the approved child/student medication management forms.** School personnel authorized to administer medications must complete the district-approved medication management training. The Eau Claire Area School District assumes no responsibility in circumstances where students bring and consume medication at school without benefit of the procedures outlined within the medication administration policy. For questions about medications, contact the School Nurse.

Head Lice

Eau Claire Area School District's procedure for head lice management in schools is based on recommendations from the Centers for Disease Control, the American Academy of Pediatrics, the National Association of School Nurses, and the ECASD Medical Advisor.

According to this procedure:

- Head checks will be done on individual students as needed. **Classroom checks will not be done.** (As needed means they are showing signs such as chronic head scratching, or staff visualize what they think may be lice or nits).
- When live head lice are found on a student, the parent/guardian will be notified by phone. The student may remain in the classroom, and a letter and treatment information will be sent home with the student at the end of the day.
- When nits (eggs) are found on a student, the student will remain in the classroom, and a letter and treatment information will be sent home with the student at the end of the day.
- **Parents are asked to treat for head lice, remove all nits, and follow household cleaning recommendations, prior to sending their child back to school.** These treatment and cleaning recommendations will be sent home with the student.
- If live head lice are found on a student, that student will be re-checked upon returning to school.

*Please note that this procedure provides guidelines for the school to follow. The administrator at your child's school may change these procedures as needed in cases of chronic head lice infestations. Please contact your child's school administrator or school nurse with questions.

OTHER

Birthday Treats

Children may bring a treat to celebrate their birthday. Treats should be brought only for the child's classroom. Because of possible food allergy concerns, students should not bring treats for others in the building. Please check with the teacher to see if there are allergy issues in the classroom.

Birthday Invites

Birthday invites should be sent from home. We do not allow them to be passed out at school.

Cell Phones and Electronics

Students may not use cell phones or electronics during the school day, including fieldtrips. All devices should be in the "off" position and cannot be displayed during the day. Electronics are high theft items and we recommend that they not be brought to school.

Family Information Change

It is extremely imperative that we maintain current data on our students including address, phone number, parents' work location or phone number, emergency contacts, etc. If, during the course of the school year any of this information should change, please inform us by calling #852-4000 as soon as possible.

Lost and Found

Lost and found items are stored in bins at the back entrance near the cafeteria. We usually have many buckets of lost clothing by mid-winter, so you may want to go through the bins periodically. Small items are held in the office

Visiting

Parents are welcome to visit anytime! Please make arrangements with your child's classroom teacher prior to arriving. When visiting, please sign in at the office and put on a volunteer badge before going elsewhere in the building. The only door that remains unlocked during the school day is the main entrance door on Fairfax St.

Volunteering

We love volunteers! They are recognized for their valuable contributions to the instructional process. If you would like to volunteer in your child's classroom or the media center, please speak with the teacher, media specialist, and/or the partnership coordinator. Our PTO will also be sending information on volunteer opportunities throughout the year. Volunteer information will also be available in the gymnasium on Welcome Back to School Day.

ECASD Student Technology Usage Expectations

For the purpose of this document, “technology” includes the use of any of the following at ECASD:

- The school network.
- The Internet.
- Any sites or software that supports learning.
- Any technological devices that belong to the school.
- Any personal technological devices used while on campus (cell phones, iPods, computers, etc.).
- Any private or commercial network accessed while on Eau Claire Area School District property.

Expectations

- All use of personal and District technology resources must be in support of, and consistent with, the educational objectives of the Eau Claire Area School District.
- Students are solely responsible for use, security and protection of any personal technological devices that he or she brings onto District property or while participating in school events.
- Students are solely responsible for their behavior and language at all times. All District policies prohibiting bullying, harassment, and discrimination apply with full force to an individual’s online and other technology-based activities and communications.
- Students will follow the school rules, board policy and all applicable state and federal laws, including adhering to the Eau Claire Community Core Values while using technology. (<http://www.ecasd.us/District/Board-of-Education/Board-Policies/Series-300-Instruction>). (Board policies 443.7 and 364.1)
- Any attempt to circumvent security or filtering systems is a violation of school rules and board policy.
- Utilizing District technology resources for commercial purposes is prohibited.
- All students have a responsibility to respect the privacy, property, including intellectual property of others. Students will only modify data, files, communications, applications, and other content that they own or have permission to modify. Students will always provide citations for the work of others.
- Students will respect and comply with proper use of copyrighted text, images, video, and music, including transmitting, downloading, reproducing, or using copyrighted material.
- Students will only use their own credentials for accessing the network and will take full responsibility for the impact that their actions and words may have on themselves and others when using technology.

- Students will carefully and critically consider their privacy and personal and electronic safety before sharing personal information, including last name, phone number, or address. Students should never share passwords with others.
- Students will follow technology safety practices such as always logging off or otherwise terminating network or Internet sessions before leaving any device connected to a network and/or the Internet.
- To the extent not prohibited by applicable law, monitoring of users activities may include the use of applications, services, equipment, or other methods by which school personnel can:
 - track and review users' Internet histories; online communication; uploaded, downloaded, saved, or deleted data, files, applications, programs, or other content; or other online activities;
 - track and log network access and use by any person or under any account; or
 - monitor fileserver space utilization by district users.
- The Internet has inappropriate materials that do not support student educational or District goals. Students will practice self-discipline and good judgment in choosing the web sites that they visit: students will immediately notify a staff member should they see inappropriate information or pictures while using the school network and/or Internet. Inappropriate information includes anything that is hateful, racist, obscene, or anything else that makes them uncomfortable.
- Failure to meet the expectations established within this document or in related district policies will result in consequences to be determined based on the infraction, and can include suspension or expulsion. Inappropriate use of technology while at school or under the supervision of school authorities can have non-school consequences when the conduct is also unlawful or violates the rights of others.
