

Comparison

Historical thinking involves the ability to describe, compare, and evaluate multiple historical developments within one society, one or more developments across or between different societies, and in various chronological and geographical contexts. It also involves the ability to identify, compare, and evaluate multiple perspectives on a given historical experience.

Directions: Familiarize yourself with the skill of comparison by completing the chart below. Fill in the chart with 5 characteristics that you would like to base your comparison of Martin Luther and John Calvin. Explain how Luther and Calvin are similar and different with respect to the characteristics you selected.

	Luther	Both Luther & Calvin	Calvin
