

Dear 3rd Grade Families,

We made it! It's down to the last 3 days of school! It was great to see so many familiar faces at the Putnam Parade last Thursday. It was a wonderful way to end the school year and see all your smiling faces. Thank you parents for being such avid supporters of your child's education during this crazy time. We truly appreciate you working so closely with us to make sure your child's needs were met not only academically but emotionally as well. If you weren't able to partake in the parade, check out the following link to experience all of our Putnam Pride. <https://ensemble.cesa10.k12.wi.us/Watch/Dp6s5QNi>

Please see below on the last few updates we have for you to end the 2019-2020 school year.

Return Information: Please refer to the email that has been sent out for returning school owned materials. Below is a reminder of dates, times, and expectations. Families should plan to return all checked-out materials (textbooks, library books, technology with chargers) to their student's school. To abide by the Eau Claire City- County Health Department orders we have created an enclosed schedule based upon the student's last name. Please do your best to honor this schedule, but if you are unable to attend during your suggested time, please come to either of the published times. If you are returning a laptop, iPad or Internet hotspot, please remember to have it charged and bring any accessories like the charger or iPad keyboard. These items will need to be turned on and be inspected as part of the check-in process.

Material Return Schedule for Grades Kindergarten through 5th: Monday, June 8, 11:00AM to 6:00PM for Last Names A to M Tuesday, June 9, 11:00AM to 6:00PM for Last Names N to Z

For those students that may need modified assignments please check out the Perine-Rappley English Language Arts page. If you work with Mrs. P or Ms. Rappley, in your dashboard there is a course titled "Putnam Heights Resource Digital Learning. There you will find some additional activities you can access. These resources are available anytime, but it's recommended you check them on Tuesdays and Thursdays.

Math- approximately 20 minutes

Students will be going to Waggle, unless previously arranged with a teacher or your child is finished. Students may also continue to work on XtraMath or Khan Academy through the summer months to keep their math skills sharp. With Waggle being a new resource for the district, here is more information on how to navigate Waggle if your child needs assistance: https://ecasdk12wi-my.sharepoint.com/:v/g/personal/apettit_ecasd_us/EQIMi0_rBoRNidL-QpZK50ABXC8rOKlyTIOL7fagtz6o4Q?e=3IsoT6

Reading/Writing- approximately 30 minutes

On Canvas you will see in the Language Arts course that there are a variety of items uploaded with corresponding questions for students to respond to. Please follow the Lessons Plans attached. This week students will have the option to listen to or read a book on Canvas. Students will respond to those activities on the Canvas page. Look for the corresponding date in the Language Arts Reading 2020 page to help guide you.

If you need more ideas for reading, your child can always access Tumblebooks or SORA through their iPad and the district website. If you hold a public library card, you can also check out books online through them as well.

Keep working hard 3rd Graders!

Again, if you ever have any questions, comments, or concerns, please feel free to reach out to us or to the Homework Helpline at school! The link below may be helpful if you have technology issues in the future.
