

Dear Families,

Below are this week’s at-home learning activities for your child. As a district we have recommended 150 minutes of learning activities per week broken down into reading/writing, math and MAPE (music, art and physical education). If you find that you are looking for additional activities and/or resources to do with your child during the week, below are Bonus Activities that you may find useful as well. If you have any questions, please feel free to reach out to your child’s teacher, Mr. Modjeski [rmodjeski@ecasd.us](mailto:rmodjeski@ecasd.us) , Mrs. Wainwright [avanzilewainwright@ecasd.us](mailto:avanzilewainwright@ecasd.us) or Mr. Haeny [nhaeny@ecasd.us](mailto:nhaeny@ecasd.us) .
