

Dear Families,

Below are this week's at-home learning activities for your child in 3rd- 5th Grade. Mrs. Stovern will be emailing and/or mailing you a packet with the resources you will need to complete these activities. They are linked below each day as well. The activities you complete will be used in the weekly meeting with Mrs. Stovern. Please practice the activities with someone at home in English.

Take Care,

Mrs. Stovern
