

Community Resources

Please review the Help Directory below and consider how these programs may assist you and your family. I included the areas that I receive the most requests for help. These are not the only ones in these areas but just a few that I am aware of. However, the Eau Claire County Resource Guide identifies many additional resources so is also a helpful tool. It can be accessed at www.eauclaire.uwex.edu/family-living/resource-directories or by calling 1-800-362-8255. Or if you are a resident of Chippewa County you can access theirs at <http://www.co.chippewa.wi.us/government/aging-disability-resource-center-adrc/resource-directory> or by calling 715-726-7788.

Organizations have different requirements, so please make note of any sign-up dates and bring any necessary information to complete the application process.

Also, if your family is financially unable to provide winter outerwear or school supplies for your child(ren), we do have limited resources donated by community organizations to our school. If you would like to confidentially discuss your child(ren) or your family's needs, please call Jodi Hubbard at (715) 852-3703 or email me at jhubbard@ecasd.k12.wi.us.
