

Dear Families,

Below is this week's at-home learning activities for your child. As a district we have recommended **150 minutes of learning activities per week** broken down into reading/writing, math and MAPE (music, art and physical education). If you find that you are looking for additional activities and/or resources to do with your child during the week, below are **Bonus Activities** that you may find useful as well.

If you have any questions, please feel free to reach out to your child's teacher; **Sara Heike, sheike@ecasd.us, Angie Nelson, anelson@ecasd.us, Karen Moldenhauer, kmoldenhauer@ecasd.us, Elecia Oleson, eolesen@ecasd.us, Aryn Jurewicz, ajurewicz@ecasd.us, Cali Heimann, cheimann@ecasd.us.**

Sincerely,
First Grade Team

BONUS ACTIVITIES

Reading/Writing	Independent Reading for 30 minutes a day is recommended, but not required. First Graders have built up stamina for 15-20 minutes at a time. Book Bingo
Mathematics	Students may access Think Central. Your teacher has assigned some optional work for you.
Connections to Science & Social Studies	Scholastic Learn at Home
Health & Social/Emotional Learning	Empathy & Practicing Gratitude *There are a lot of confusing things going on right now. Since we're all at home, we can't always see what is going on in our community, but we know there are a lot of people who are working hard right now to keep us safe and healthy. Our writing work for Friday asks us to write a letter to our mail carrier. Let's also write a message to thank other community helpers! *This is a very important time to put ourselves in someone else's shoes and imagine, how good it would feel to get a thank you note! *You can write, draw pictures, or even make a collage from magazines for people who work in the following places: hospitals, clinics, vet clinics, gas stations, grocery stores, banks, police or fire stations. *You can even write a note to someone who delivers food or collects your trash. They are all important helpers!
