

FIRST GRADE At-Home Learning Check List Week of May 4-8

Dear Families,

Below is this week's at-home learning activities for your child. As a district we have recommended **150 minutes of learning activities per week** broken down into reading/writing, math and MAPE (music, art and physical education). If you find that you are looking for additional activities and/or resources to do with your child during the week, below are **Bonus Activities** that you may find useful as well.

If you have any questions, please feel free to reach out to your child's teacher; Sara Heike, sheike@ecasd.us, Angie Nelson, anelson@ecasd.us, Karen Moldenhauer, kmoldenhauer@ecasd.us, Elesia Oleson, eoleson@ecasd.us, Aryn Jurewicz, ajurewicz@ecasd.us, Cali Heimann, cheimann@ecasd.us.

Sincerely,
First Grade Team

Subject	Monday 5/4	Tuesday 5/5	Wednesday 5/6	Thursday 5/7	Friday 5/8
Words of the week: These are words to practice reading and spelling this week: your, want, where, because, could					
Send your teacher a photo of yourself doing some at home learning!					
Reading/ Writing <i>75 minutes per week</i>	Spelling: use an <i>old</i> newspaper or magazine to cut out the letters for 3 words from the list. Rewrite each word and write a sentence with it. Reading: Read for 10 min. What connections did you make with the book?	Writing: If you had a superpower, what would it be and why? Foundational: Silent e syllable. Watch this video for a review. Here is a list of words: cap, kit, not, tub 1. Write the words 2. Read the words 3. Add silent e to each word. 4. Read the new words to a family member.	Spelling: choose 3 words from the list and write them in a <i>fancy</i> way 3 times. Write a sentence for each word using a <i>different</i> writing tool. Reading: Read for 10 min. Read wearing a hat or wearing your pajamas!	Writing: Write about a friend. What makes a good friend? Write about a time together. Foundational: <u>Make a list of -ake words.</u> 1. The first word is bake. 2. Write the words with your finger on someone's back. Have them guess each word. <u>Make a list of -ike words.</u> 1. The first word is like. 2. Write the words with your finger on someone's back. Have them guess each word.	Writing: Mother's Day is on Sunday! Write a letter or make a card for someone special and let them know how much they mean to you. Spelling: choose 3 words from the list and RAINBOW write them 3 times. Write a sentence for each word.

At-Home Learning Check List
Week of May 4-8

<p>Mathematics <i>45 minutes per week</i></p>	<p>Math: Draw a rectangle and a square. They each have 4 sides and 4 corners. How are they different? What did you notice about the corners? Both shapes have “square corners.” Can you show a square corner with your arm? Draw a circle and a triangle. What can you tell about the sides and corners of these shapes? Now draw a picture using these 4 shapes. What did you make?</p>	<p>Math: Do 1 page from the packet or an activity on Think Central</p>	<p>Math: Today we are looking for different types of shapes. These shapes take up space and are solid. They are called 3 –D shapes. Can you find these shapes around your house?</p> <p>Cube: </p> <p>Sphere: </p> <p>Rectangular prism: </p> <p>Cone: </p> <p>Cylinder: </p>	<p>Math: Do 1 page from the packet or an activity on Think Central</p>	<p>Fun Friday! Play I Spy with a family member and locate these shapes: Square, rectangle, circle, sphere, triangle, cylinder and rectangular prism.</p>
<p>MAPE <i>30 minutes per week</i></p>	<p><u>MUSIC NEWSLETTER</u> Mrs. Hammes-Murray</p>		<p><u>ART NEWSLETTER</u> Mrs. Moga</p>		<p><u>PE NEWSLETTER</u> Mr. V</p>
<p>Guidance</p>	<p>Wendy Ferstenou, School Counselor 715-852-4803 <u>wferstenou@ecasd.us</u></p>			<p>Sharon Besterfeldt, School Counselor 715-852-4816 <u>sbesterfeldt@ecasd.us</u></p>

Week of May 4-8

BONUS ACTIVITIES

Reading/Writing	Independent Reading for 30 minutes a day is recommended, but not required. First Graders have built up stamina for 15-20 minutes at a time. Click here for a read a loud by Mrs. Jurewicz Enjoy a mystery reader story! After you listen to this story, write or tell someone about a trip you'd like to take.
Mathematics	Have fun making shapes using toothpicks and marshmallows. Use this sheet for ideas.
Connections to Science & Social Studies	Scholastic Learn at Home (there are 4 weeks of activities available)
Health & Social/Emotional Learning	The Crayon Box That Talked by Shane DeRolf is a fun way to talk about differences in people and how the world need all of us! A YouTube version is linked HERE . After viewing or reading, try these simple activities: <ol style="list-style-type: none">1. Draw a picture using a single color.2. Now, try to draw the same picture again, but using many different colors.3. Talk about the differences that each color brings to the overall picture.4. Talk or write about different things that members of your family are good at doing.
