

**KINDERGARTEN**  
**At-Home Learning Check List**  
**Week of June 1 – June 5**

Dear Families,

Below is this week’s at-home learning activities for your child. Please click on the *At Home Learning Link* to find daily activities. As a district we have recommended that kindergartners work for **3-5 minutes at a time**. These activities will be broken down into writing, reading/phonological awareness/phonics, math, MAPE (music, art and physical education), and guidance. If you find that you are looking for additional activities and/or resources to do with your child during the week, below are **Bonus Activities** that you may find useful as well.

If you have any questions, please feel free to reach out to your child’s teacher, **Janessa Derleth** ([jderleth@ecasd.us](mailto:jderleth@ecasd.us)), **Chrissy Gerl** ([cgerl@ecasd.us](mailto:cgerl@ecasd.us)), **Brianna Koleski** ([bkoleski@ecasd.us](mailto:bkoleski@ecasd.us)), **Dawn Marcott** ([dmarcott@ecasd.us](mailto:dmarcott@ecasd.us)), **Allie Reynolds** ([areynolds@ecasd.us](mailto:areynolds@ecasd.us)), **Mariah Seyer** ([mseyer@ecasd.us](mailto:mseyer@ecasd.us)).

Sincerely,  
 Kindergarten Team

## KINDERGARTEN

### At-Home Learning Check List

### Week of June 1 – June 5

#### BONUS ACTIVITIES

Reading	Health & Social/Emotional Learning
<p><b>Read a book!</b></p> <p><b>Listen to a Story</b> Sora by Overdrive Listen to books through the Sora app on a tablet or phone. Ask your child's teacher if you need assistance logging into your child's accounts.</p> <p><a href="#">Tumblebooks</a> You can also listen to books through Tumblebooks. Click on the link above and scroll to the bottom of the school page to find it.</p>	<p>Here's a fun and healthy snack idea for summer!</p> <p style="text-align: center;"><i>Ingredients:</i></p> <p style="text-align: center;">Sliced Pineapple (fresh or canned) Lolly Sticks Dark Chocolate Coconut Yogurt (optional) Desiccated coconut (optional)</p> <p style="text-align: center;"><i>Directions:</i></p> <p style="text-align: center;">Line a small baking tray with grease-proof or baking paper (being sure to check that the tray fits into your freezer first!). Drain the pineapple slices, reserving the juice for other recipes – it's great to pop in a smoothie! Place the pineapple rings on the lined baking tray, with a small space in between each one. Carefully push a cake pop or lolly stick into each pineapple ring, going all the way through to the other side (this will help it stay put on the stick). Place the tray in the freezer for a couple of hours or overnight until the rings are frozen through. Serve immediately as they are or try one of the variations below:</p> <p style="text-align: center;"><b>Dark Chocolate</b></p> <p style="text-align: center;">Follow the steps as above. Once the rings are frozen, melt dark chocolate in a small bowl. Dip the frozen rings into the chocolate, return to the tray and freeze for 15 minutes until the dark chocolate has completely set.</p> <p style="text-align: center;"><b>Yogurt</b></p> <p style="text-align: center;">Follow the steps as above. Once the rings are frozen, pour yogurt of your choice (I used coconut) into a shallow bowl. Dip the frozen rings into the yogurt, return to the tray and freeze for again until the yogurt has frozen through and set.</p> <p style="text-align: center;"><b>Coconut</b></p> <p style="text-align: center;">Follow the steps as above, but after draining the pineapple, pour desiccated or shredded coconut onto a plate and dip each pineapple ring in it to cover on both sides. Place the coconut covered pineapple rings on the lined baking tray, push in the cake pop sticks and freeze as above.</p> <p style="text-align: center;"><b>Enjoy!</b></p> <div style="text-align: right;">  <p><b>PINEAPPLE RING Ice Pops</b></p>  </div>
