At-Home Learning Check List

Week of May 25 – May 29

Dear Families,

Below is this week’s at-home learning activities for your child. Please click on the *At Home Learning Link* to find daily activities. As a district we have recommended that kindergartners work for **3-5 minutes at a time**. These activities will be broken down into writing, reading/phonological awareness/phonics, math, MAPE (music, art and physical education), and guidance. If you find that you are looking for additional activities and/or resources to do with your child during the week, below are **Bonus Activities** that you may find useful as well.

If you have any questions, please feel free to reach out to your child’s teacher, **Janessa Derleth** (jderleth@ecasd.us), **Chrissy Gerl** (cgerl@ecasd.us), **Brianna Koleski** (bkoleski@ecasd.us), **Dawn Marcott** (dmarcott@ecasd.us), **Allie Reynolds** (areynolds@ecasd.us), **Mariah Seyer** (mseyer@ecasd.us).

Sincerely,
Kindergarten Team
