

# Community Help Resources –Year Round

Please review the Help Directory below and consider how these programs may assist you and your family. These are not the only community resources available but are a few that are typically accessed by families in this area. The Eau Claire County Resource Guide identifies many additional resources and can be found here: [www.eauclaire.uwex.edu/family-living/resource-directories](http://www.eauclaire.uwex.edu/family-living/resource-directories) or by calling 1-800-362-8255. Or if you are a resident of Chippewa County you can access theirs at <http://www.co.chippewa.wi.us/government/aging-disability-resource-center-adrc/resource-directory> or by calling 715-726-7788.

Organizations have different requirements, so please make note of any sign-up dates and bring any necessary information to complete the application process.

Also, if your family is financially unable to provide winter outerwear or school supplies for your child(ren), we do have limited resources donated by community organizations to our school. If you would like to confidentially discuss your child(ren) or your family's needs, please contact your school counselor at 715-852-5203.
