

Winter & Holiday Help

This is the season for thanks and celebration in many homes. It is also the season of increased heating and clothing expenses. Please review the Holiday Help Directory below and consider how these programs may assist you and your family. The Eau Claire County Resource Guide is also a helpful tool and it can be accessed at www.eauclaire.uwex.edu/family-living/resource-directories or by calling 1-800-362-8255.

Every organization has limited resources, so please make note of the sign-up dates and bring any necessary information to complete the application process. If you are fortunate enough to be in a position to give, please consider a donation to any of the organizations listed below.

If your family is financially unable to provide winter outerwear for your child(ren), we do have limited resources donated by community organizations to our school. If you would like to confidentially discuss your child(ren) or your family's needs, please call Mike Polzer at 715-852-5218.
