

VOTE NOVEMBER 8th

EAU CLAIRE AREA SCHOOL DISTRICT REFERENDUM INFORMATION SESSIONS

The Eau Claire Area School District is sponsoring four information sessions about the November 8 school referendum. Please choose one and join district administrators, building principals, school board members and volunteers with Support Eau Claire Public Schools to learn the facts.

Immediately following the building tours, participants will have the opportunity to watch the documentary *Road to Referendum* filmed mostly right here in Eau Claire with our very own student actors. It shines a bright light on the broken public school funding system in Wisconsin using Eau Claire as an example.

Be informed on November 8!
