

Lakeshore Virtual Summer 2020 Programming

Course #	Course Name	Grade Level	Dates	Time	Description	How to register
150810	Virtual Summer Fun Library	PreK – 1	July 28, August 4, 11	8:00 – 12:00	We will read books, share fun crafts and games, maybe even build a volcano. The focus will be on fun and the activities will keep our minds moving. The activities, crafts, read alouds and lessons will be shared using a learning management system. Please join us for some fabulous summer fun!	Requires new registration at www.ecasd.us/summer
150812		2 – 3				
150814		4 – 5				
144842	Welcome to Kindergarten Class! Week 1	K	July 27 – 30	9:00 – 9:30	Attention all incoming kindergarten students! Would you like to meet each of the kindergarten teachers before school starts? If so, sign up for this class! Each day one Lakeshore kindergarten teacher will read a story and then do an activity with you. Your child will get the opportunity to meet all the kindergarten teachers and other students from their grade. You can even ask questions that you might have about Lakeshore Elementary. We hope to meet you soon!	Requires new registration at www.ecasd.us/summer
144844	Welcome to Kindergarten Class! Week 2		August 3 – 6	10:00 – 10:30		
144846	Welcome to Kindergarten Class! Week 3		August 10 - 13	11:00 – 11:30	Please sign your child up for one full week session. The content is the same for every week and the multiple offerings provide smaller group setting.	
144702	Storytime and Creative Arts: Eric Carle Theme	K – 2	July 27, 30 August 3, 6, 10, 13	9:00 – 9:45	Eric Carle is a beloved author and illustrator of children's books. In this class, I will read a few of his wonderful books and we will have fun creating works of art, based on his style of artistic expression.	Requires new registration at www.ecasd.us/summer
144502	Making Friendship Bracelets	K – 2	July 29 August 5, 12	9:30 – 10:00	Friendship bracelets are a type of macramé formed by a series of knots. They are fun to make and easy to work on anywhere. Each week students will be sent a video lesson on making bracelets. The following day we will meet as a class to review the techniques, help with any challenges, and share what we have made. We will start with a basic pattern and gradually learn more elaborate ones.	Requires new registration at www.ecasd.us/summer
144174	Cooking with Books	K – 2	July 28, 29 August 4, 5, 11, 12	10:00 – 11:00	Do you like reading and eating snacks? Then this class is for you! Students will listen to a book and then learn how to make a snack that relates to the story. These snacks will include easy, child-friendly recipes that appeal to kids of all ages. All ingredients will be provided.	Requires new registration at www.ecasd.us/summer

144706	Summer School Exercise Challenge	K – 5	July 30 August 6, 13	9:30 – 10:00	Get your body moving! This program will be a challenge for you to get 20 minutes of exercise daily. Mrs. Graff will be exercising along with you, virtually of course, to see if you can beat the challenge. We will meet online every Thursday to share our stories for the week. If you can beat the challenge you will receive a reward!	Requires new registration at www.ecasd.us/summer
144244	Exploring Nature: Week 1 - Plants: Making a Terrarium	K – 5	July 28, 30	10:30 – 11:15	Have fun creating a terrarium using soil, rocks, and succulents.	Requires new registration at www.ecasd.us/summer
144246	Exploring Nature: Week 2 – Camping Fun: Making a Solar Oven		August 4, 6		Let's go camping! We will make a solar oven and bake a S'mores snack in it.	
144248	Exploring Nature: Week 3 – Mini Gardens: Making a Fairy Garden		August 11, 13		We will paint a clay pot and add soil and some awesome treasures to make our own fairy gardens.	
144008	Book Club	K – 5	July 28, 30 August 4, 6, 11, 13	10:00 – 11:00	Become familiar with series of books that showcase positive problem solving with peers. Have rich discussions with peers and make connections to real life!	Requires new registration at www.ecasd.us/summer
144172	Card Games	1 – 2	July 27, 29 August 3, 5	11:00 – 11:30	A regular deck of playing cards can be used for a variety of math games! We will learn some fun ways we can practice our math skills.	Requires new registration at www.ecasd.us/summer
144672	Reading and STEM	1 – 2	July 27, 28, 29 August 3, 4, 5	9:00 – 10:30	Do you like reading? Do you like creating things? You will watch a read aloud and be given a challenge to create something related to the book. Materials will be supplied, and directions given. It is up you to create it in the time provided.	Requires new registration at www.ecasd.us/summer
144342	Healthy Snacks/Farmer's Market Field Trip	2 – 4	July 30 August 6, 13	9:30 – 10:00	Do you enjoy making easy, healthy snacks? These are all "no bake" easy snacks that anyone can make. You will also take a virtual field trip to the Farmer's Market, to explore all the neat things you can find there.	Requires new registration at www.ecasd.us/summer
144142	Bean in a Bag	2 – 4	July 27 August 3, 10	9:30 – 10:00	Have you ever grown a plant from a seed? We will experiment, growing a bean in your very own window.	Requires new registration at www.ecasd.us/summer
144542	Nature Journaling	2 – 5	July 29 August 5, 12	9:00 – 10:00	Nature journaling is not something new, in fact it was around in the 1800s with the Lewis and Clark exhibitions. So, if you enjoy doodling and the outdoors then this is the class for you.	Requires new registration at www.ecasd.us/summer

144704	Storytime Crafts: Patricia Polacco Theme	3 – 5	July 27 – 30	9:00 – 10:00	<p>Patricia Polacco is an American author and illustrator. Throughout her school years, Polacco struggled with reading but found relief by expressing herself through art. Polacco endured teasing and hid her disability until a schoolteacher recognized that she could not read and began to help her.</p> <p>In this class we will read a Patricia Polacco book together and create arts and crafts related to the reading.</p>	Requires new registration at www.ecasd.us/summer
144242	Embroidery	3 – 5	July 28, 30 August 4, 6, 11, 13	11:00 – 12:00	<p>Would you like to learn a skill that you may enjoy as a new hobby? Join us as we learn and practice basic embroidery stiches. Embroidery is a textile art that uses yarn, thread, and fabric to create beautiful masterpieces. In this class you will design and create a final project that you can display in your home to showcase what you have learned. All materials will be provided to each student.</p>	Requires new registration at www.ecasd.us/summer
144272	From Farm to Table	3 – 5	July 27 – August 13 Monday – Thursday	10:00 – 11:00	<p>Where does food come from? (Hint: It's not the grocery store!) Food is grown and raised throughout Wisconsin by farmers and gardeners of all ages and backgrounds, and summer is the perfect time to learn how food is nurtured and cared for prior to ending up on your kitchen plate. Ryan Sievert, ECASD Social Worker, has farmed for 8 years in Northeast Wisconsin. Join him this summer in starting seeds, gallivanting greenhouses, exploring eggs, and counting cattle to get the inside scoop about how food is grown and raised in Wisconsin.</p>	Requires new registration at www.ecasd.us/summer
144176	Cribbage (Math Game)	3 – 5	July 28 August 4, 11	9:00 – 10:00	<p>Cribbage is a two-person card game played with a standard 52 playing card deck. The winner is the one who pegs to the finish line on the cribbage board first. This game originated in the 1600's so it must be pretty cool to last over 4 centuries, and people still play it.</p>	Requires new registration at www.ecasd.us/summer
144504	Making Friendship Bracelets	3 – 5	July 29 August 5, 12	10:30 – 11:00	<p>Friendship bracelets are a type of macramé formed by a series of knots. They are fun to make and easy to work on anywhere. Each week students will be sent a video lesson on making bracelets. The following day we will meet as a class to review the techniques, help with any challenges, and share what we have made.
